WM. KNABE & CO.,

MANUFACTURERS OF

GRAND, SQUARE, AND UPRIGHT

PIANO-FORTES.

WAREROOMS:

350 West Baltimore St., near Eutaw,
BALTIMORE.

These instruments have been before the public for nearly Thirty Years, and upon their excellence alone attained AN UNPURCHASED PRE-EMINENCE, which pronounces them unequalled. Their TONE combines great power, sweetness, and fine singing quality, as well as great purity of intonation, and evenness throughout the entire scale. Their TOUCH is pliant and elastic, and entirely free from the stiffness found in so many Pianos. In WORKMANSHIP they are unexcelled, using none but the very best seasoned material, the large capital employed in our business enabling us to keep continually an immense stock of lumber, etc., on hand.

☞ All our SQUARE PIANOS have our New Improved Overstrung scale, and the AGRAFFE TREBLE.

We would call special attention to our late improvements in

Grand Pianos and Square Grands,

Patented August 14, 1866,

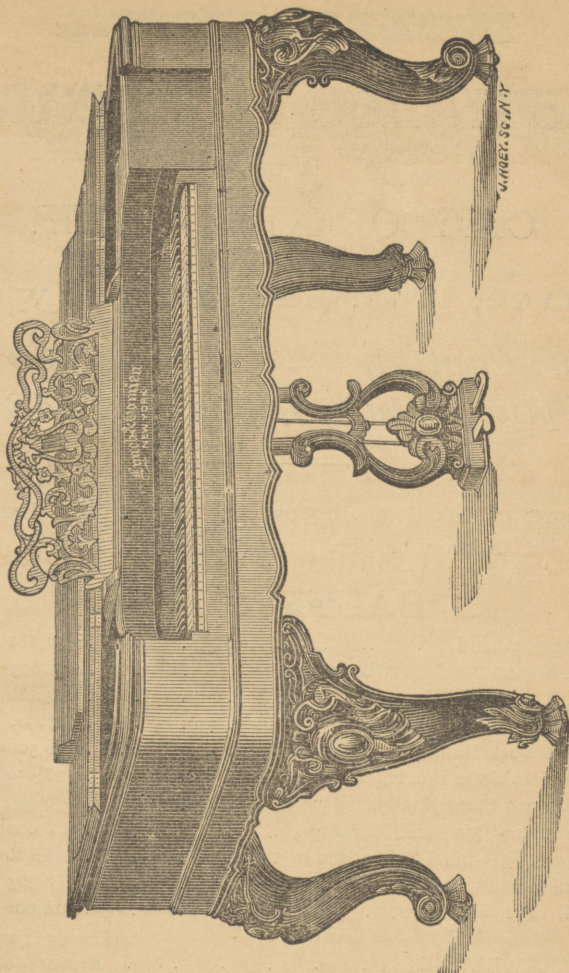

Which bring the Piano nearer perfection than has yet been attained.

Every Piano fully warranted for Five Years.

A full assortment of the above celebrated Pianos at

JUL. BAUER & CO.'S Warerooms,
650 Broadway, New York.

LYNCH & GOMIEN,

MANUFACTURERS OF ALL STYLES OF PIANOFORTES,

No. 927 BROADWAY, bet. 21st and 22d Streets, NEW YORK.

They can refer to hundreds of families having their Pianos in use, from a large number of whom they have received the most flattering testimonials. They would mention in particular St. John's College, Fordham: Academy of Mt. St. Vincent, near Yonkers; Ursuline Convent, East Morrisania; Academy of Sacred Heart, Manhattanville; and Institution of St. Vincent de Paul, 250th Street.

From the *Courier des Etats Unis*, July 4, 1867 (the best musical critic in New York): "The Piano used on this occasion (a concert) was one of the excellent instruments of LYNCH & GOMIEN's manufacture. For brilliancy, mellowness, and equality of tone, these Pianos stand equal, if not superior, to those of any other manufacture."

"The fullest confidence may be placed on their representations."—*N. Y. Tablet*.

"Knowing them as we do, we can safely say that what they represent their Pianos to be may be relied on."—*N. Y. Freeman's Journal*.

Parlor, Portable Church Organs, and Melodeons always on hand. Orders received, and plans and specifications drawn up for Church Organs of any size. Mr. Gomiens has superintended the building of some of the largest and best organs in this city, to which he can refer. All Pianos fully warranted for five years. A Liberal Discount made to the Clergy and Religious Institutions.

NEW-YORK:

D. & J. SADLIER & CO., No. 31 BARCLAY STREET.

1870.

PREFACE.

THE Directory for 1870 contains full returns from every Diocese in the United States, and the dominion of Canada, revised by their respective officials, with the exception of the Diocese of Pittsburgh, which is reprinted from last year. They have been arranged in alphabetical order, as the most ready and easy for reference. It was the desire of the publishers to submit a proof-sheet of each Diocese to its respective officials, but except to those in the immediate vicinity, they have been unable to do so and have the work published in season. The returns have, however, been strictly and carefully followed, and the Directory will be found as correct as a work of the kind can be made. It is issued much earlier than in former years, yet the publishers desire to place it before the public not later than December 1.

They would, therefore, again respectfully urge upon the officials of the different Dioceses the necessity of promptly complying with the directions of their annual Circular. Until this is done, the publication of the work will always be attended with a delay annoying to the public, and a matter of regret to the publishers.

CHRONOLOGICAL CYCLES.

Dominical Letter.....	B	Solar Cycle.....	3
Epact.....	28	Indiction.....	13
Golden Number.....	9	Sundays after Pentecost.....	24

The calends were the first day of each month among the Romans, hence a calendar was a list of the months, beginning with their calends.

The real solar year contains 365 days, 5 hours, 48 minutes, 48 seconds. The common or civil year only 365 days. But for the neglect of these fractions Julius Cæsar ordered an additional day to be given to every fourth year, introducing it after February 24th, in Latin *sextilis*; hence these years are called *Bissextile*, or, in English, *Leap Years*. The Julian Calendar did not completely rectify the error, and Pope Gregory XIII., in 1582, ordered the days from October 5th to 14th in that year to be suppressed, and the century years 1700, 1800, not to be regarded as leap years. This reform, called the *Gregorian Calendar*, Protestant countries refused for nearly two hundred years to accept; but, preferring darkness to light, retained the erroneous calendar. In New York, where the Dutch used the correct calendar, the English, on conquering the province, restored the erroneous form, and retained it for a hundred years.

The *Epact* expresses the moon's age on the first day of the year, and is used to determine *Easter*, which depends on the moon, being always the first Sunday after the first full moon after the vernal equinox (March 21st).

The *Golden Number* is the number of years that have elapsed since a new moon fell on January 1st. It is obtained by adding one to the date, and dividing by 19, the number of years in a cycle.

From eleven times the golden number subtract 10, and divide by 30, subtract 1, and the remainder is the *epact*.

The epact subtracted from 24 gives the number of days from March 21st to the next ecclesiastical full moon, and the following Sunday, shown by the Dominical letter, is Easter Sunday.

By the reformation of the calendar by Pope Gregory XIII., the year began on the first day of January, and, consequently, whenever and wherever the NEW STYLE of reckoning time was adopted, then and there the year commenced on this day.

Previous to the use of the Gregorian Calendar, the years had different days of beginning at various times in the same and different countries, and occasionally at the same time in the same country. In most countries it began on one of the following days:

Christmas-day, the 25th of December;

Circumcision-day, the 1st of January;

Lady-day, the 25th of March; and

Easter-day, the day of the Resurrection of our Lord.

TO ASCERTAIN THE LENGTH OF THE DAY AND NIGHT.

At any time of the year add twelve hours to the time of the sun's setting, and from the sum subtract the time of rising, for the length of the day. Subtract the time of setting from twelve hours, and to the remainder add the time of rising next morning, for the length of the night. These rules are equally true for apparent time.

ECLIPSES FOR THE YEAR 1870.

There will be six eclipses this year, as follows:

1. A total Eclipse of the Moon, January 17, in the morning; visible in Asia, Europe, and the western part of North America. In the United States, east of the Mississippi River, it is not generally visible; but west of that it is wholly or partially visible.

II. A partial Eclipse of the Sun, January 31; not visible in the United States, but in the Antarctic regions.

III. An Eclipse of the Sun, June 28; not visible in America, but in the Southern Pacific Ocean, east of Australia.

IV. A total Eclipse of the Moon, July 12; invisible in the United States. Along the eastern extremity of South America and of North America, at Nova Scotia, New Brunswick, and Newfoundland, in the Atlantic Ocean, in Europe and Asia, the eclipse will be visible; but only partially so in the British Provinces on the north-east coast at the time of the Moon's rising.

V. A partial Eclipse of the Sun, July 28, in the Arctic regions.

VI. A total Eclipse of the Sun, December 28; invisible in the United States. The line of total obscuration runs through Southern Spain, Algiers, Sicily, Greece, Turkey, and into Russia.

Holydays of Obligation.

1. The Circumcision of our Lord—The Epiphany—The Annunciation of the B. V. Mary—The Ascension of our Lord—Corpus Christi—The Assumption of the B. V. Mary—All Saints—Immaculate Conception of the Blessed Virgin Mary—Nativity of our Lord, or Christmas.

N.B.—Sundays, and the feasts which fall on them, are not included in this enumeration.

(In some Western Dioceses the Circumcision, Epiphany, Annunciation, and Corpus Christi are not holydays of obligation.)

Fasting Days.

Fridays in Advent. Every day in Lent, Sundays excepted. The Ember days (see below.) The Vigil of Whitsunday or Pentecost, of the Assumption, of All Saints, and of Christmas.

N.B.—1. When a feast falls on Monday, the vigil is kept on the Saturday

preceding. To fast, consists in abstaining from flesh-meat, and eating but one full meal in the day, not before twelve o'clock M. Besides this, a collation, or about the one-fourth of a meal, is allowed in the evening. All who have completed their twenty-first year are obliged to observe the fasts of the Church, unless exempted for some legitimate cause.

2. In some dioceses the Friday of the Ember-Days is the only Friday in Advent on which there is an obligation to fast.

3. It has been directed by the Sacred Congregation *de Propaganda Fide*, that the feast of SS. Peter and Paul be solemnly celebrated in the United States on the Sunday immediately after the 29th of June, and it is the wish of the Sacred Congregation that the Bishops exhort the faithful under their charge to keep fast on the Saturday preceding that solemn celebration.

Days of Abstinence.

All Fridays. When Christmas falls on a Friday, abstinence is not of precept. Abstinence on Saturday has been dispensed with for the faithful of the United States, except when a fast falls on that day. Soldiers and sailors in the service of the United States, even in barracks, garisons, etc., are dispensed by the indult of Pope Pius IX., from the rule of abstinence, except on six days in each year, namely, Ash-Wednesday, Thursday, Friday, and Saturday in Holy Week, the Vigil of the Assumption, and Christmas Eve.

Ember-Days.

The Ember-Days are the Wednesdays, Fridays, and Saturdays which occur, 1st, in winter, immediately after the third Sunday of Advent; 2d, in the spring, immediately after the first Sunday in Lent; 3d, in the summer, during Whitsun-Week; 4th, in the autumn, immediately after the 14th of September. They are days of fasting, and of great antiquity in the Church. The object of their observance is, to consecrate to God the four seasons of the year, by penance; to obtain his blessing of the fruits of the earth, and to beg of him worthy ministers of the Church. The ordination of clergymen generally takes place, in Catholic countries, on Ember-Saturday.

INDULGENCES GRANTED TO THE FAITHFUL OF THE UNITED STATES.

On the 13th of August, 1792, his Holiness granted to all and each of the faithful of the Catholic communion, living in the ENTIRE* diocese of Baltimore, a plenary Indulgence, to be gained by all who, having made a good confession and holy communion on the days mentioned below, shall visit the parish church or any other; and if there be no church or chapel, shall devoutly recite five times *Our Father*, *Hail Mary*, and *Glory be to the Father*, and fervently pray for the propagation of the Catholic faith and the exaltation of the Church.

These plenary Indulgences may be gained on the following days, *F. D.*

*The Diocese of Baltimore then included all the States east of the Mississippi, except Florida.

From the vigil of Christmas, until the day of Epiphany, inclusively.

From the first Sunday of Lent, to the second, inclusively.

From Passion Sunday to Maundy-Thursday, inclusively.

From the Vespers of Holy Saturday to Low-Sunday, inclusively.

From the first Vespers of Whit-Sunday, until the last day of the Octave of Corpus Christi, inclusively.

On the feasts of the Purification, Annunciation, Assumption, Nativity, and Conception of the B. V. Mary, and during the whole Octaves of these feasts.

On the feast of the Apostles SS. Peter and Paul, and during the whole Octave of the same feast.

On the feast of St. Michael the Archangel, and during the whole Octave of the same feast.

On the feast of All Saints, and during the whole Octave of the same.

By a decree of the Congregation of Indulgences, published January 28, 1842, in order that the faithful may gain the indulgences published by the Holy See, it is necessary that they should be recognized by the Bishops, and promulgated by them in their respective dioceses.

DIRECTIONS FOR UNDERSTANDING THE ORDO.

The prayers and portions of the Holy Scripture, of which the Mass is composed, are, in part, unalterably the same, and partly different every day. Those that are fixed and invariable are contained in what is called the *Ordinary of the Mass*, to be found at the beginning of the Missal. The parts that are changeable or proper—the Introits, Collects, Gradual, Tracts, Epistles, Gospel, Offertories, Secrets, Communions, and Post-communions—form the subsequent contents of the book. As the Prefaces are not so frequently subject to change, they follow each other in regular succession in the ordinary of the Mass.

If a double should fall on a Sunday, then the Mass of the double is said instead of that of the Sunday, unless it be a privileged Sunday, such as the first Sunday of Advent or Lent, Passion, Palm, Easter, Pentecost, and Trinity Sundays, which are never superseded; or a Sunday of the second class, which cannot be superseded except by doubles of the first class, as the 2d, 3d, and 4th of Advent, Septuagesima, Sexagesima, and Quinquagesima; as also the 2d, 3d, and 4th of Lent. It must, however, be remarked, that the Gospels for Sundays, thus superseded by doubles, are never omitted, but are recited at the end of the Mass, instead of St. John's Gospel; and also that a commemoration of the Sunday by its proper collect, secret, and post-communion, is always made immediately after the collect, etc., of the festival.

But as it sometimes happens that a double is transferred to some future vacant day, on account of some festival of higher rank intervening, then the difficulty of finding out the day on which such transferred festival is celebrated, as well as all other difficulties regarding the service, may be easily removed by consulting the following Ordo, as a guide to the morning as well as to the evening service of the Church.

1. The Office of every day is either *Double*, *Semidouble*, *Simple*, or of the *Feria*.

Of doubles (so-called, because the anthems are repeated entire, both before and after the Psalms at vespers), some are of the first class, marked thus in the calendar, *doub. 1st cl.*; others of the second class, and are

marked thus, *doub. 2d cl.*; others are greater doubles, marked *gr. doub.*; others common doubles, marked *doub.*

2. Doubles are always kept on the day marked in the calendar, unless they fall on some Sunday of the first or second class, some privileged feria, or within certain octaves which take place of the festivals; in which case they are transferred to the first day not marked either as a double or a semi-double.

Doub. 1st cl. denotes a great solemnity; *doub. 2 cl.* a lesser solemnity; greater *doub.* marks the feast to be of a higher rite than a common double; *doub.* is the common and most general rank of saints; *semid.* is less than a double; *simpl.* shows the feast to be one of the lowest rite; *fer.* or feria day is a week-day having no feast; great *fer.* are week-days in Lent, Advent, etc.; *Vig.* or Vigil is the eve of a great solemnity.

The Sundays of the 1st class, which take place of all doubles, are:

The first Sunday of Advent, the first Sunday of Lent, Passion Sunday, Palm Sunday, Easter Sunday, Low Sunday, Whit Sunday, Trinity Sunday.

The Sundays of the second class, which take place, also, of all doubles, except those of the first class, and of which, in that case, a commemoration is made at mass and in both vespers, are, the second, third, and fourth of Advent; Septuagesima, Sexagesima, and Quinquagesima, the second, third, and fourth of Lent.

The Ferias, which enjoy the same privileges as Sundays of the first class, are, Ash Wednesday, All Holy Week, Whitsun Eve, the whole octaves of Easter and Whitsuntide.

In like manner, within the octave of the Epiphany, no feast less than a first class can be kept.

On all other Sundays of the year, if a double occur, it is kept with a commemoration of the Sunday at mass, and at vespers also, except the following day be a feast of the first class.

3. A semidouble (so-called because only a part of the Anthem is said before each psalm at vespers) is marked in the calendar thus, *semid.*, and occurring on any Sunday whatsoever, is put off to the first vacant day; that is, the first day on which there is neither double nor semidouble marked in the calendar. The same is to be observed of all semidoubles occurring within the octave of Corpus Christi.

4. Simples have no mark in the calendar, and are never transferred; but if they fall on Sunday, or on any other day when the office cannot be said of them, a commemoration is made of the first vespers, and at mass; unless it be a feast of the first class (on which no notice is taken of simples), or of the second class, in which case a commemoration of them is made in the Lauds, and at a low private mass only.

5. The following ferias, called greater ferias, take place of all simples, of which there is only a commemoration made at mass, viz., the ferias of Advent and of Lent, the Ember Days, and Tuesday in Rogation Week. A commemoration is also made of the ferias of Advent and of Lent at vespers and at mass, whatever feast happens; but of the Ember Days and Tuesday in Rogation Week, only at mass.

6. If a vigil happen within the octave, the mass is of the vigil, with a commemoration of the octave, unless there be a double or a semidouble feast that day, in which case the mass is of the feast, with a commemoration of the octave, and of the vigil. But if a vigil occur on a feast of the first class, there is no commemoration made of it.

If a festival that has a vigil fall on a Monday, the mass of the vigil is said on the foregoing Saturday, except the vigil of Christmas and of the Epiphany.

If a vigil happen in Advent, the mass is of the vigil, with a commemoration of the feria, except the vigil of Christmas.

If a vigil happen in Lent, on an Ember Day, the mass is of the feria with a commemoration of the vigil.

In the paschal time there is no office of vigil, except that of Ascension Eve, which, however, is no fast.

7. When a double of the first or second class, which is a holyday of obligation, falling on any day, is to be transferred, the obligation of the holy day is seldom transferred, but the faithful are generally obliged to hear mass on the day marked in the calendar.

8. When several festivals have been translated from their proper days, they are afterward to be kept in this order: first, those that are doubles, and then those that are semidoubles; and among the doubles or semidoubles, those whose proper days first occurred, are to be kept first; there are, however, some exceptions to this rule.

9. *Coll.* or *Collect*, signifies the oration or prayer. Upon all doubles one collect, secret, or post-communion, only is said; except they fall on a Sunday, or within some octave, or upon some vigil, or in the time of Lent or Advent, or except it occurs with some simple; in all which cases two collects, etc., are said; one of the double, the other of the Sunday, octave, etc.

10. Upon Sundays and all semidoubles, are said three collects, secrets, and post-communions; excepting Sundays, which occur within an octave, on which are said two collects, etc.; one of the Sunday, the other of the octave.

11. The second and third collects, secrets, and post-communions to be said on Sundays and semidoubles in the different seasons of the year, are specified in their proper places.

12. Upon semidoubles occurring within octaves, or in vigils, etc., the second collect, secret, and post-communion are a commemoration of the octave or vigil; and the third of the B. V. M.; but within the octaves of the Blessed Virgin, the third is of the Holy Ghost.

13. On semidoubles in Advent, the second collect, secret, and post-communion, are the collect, etc., of the foregoing Sunday; the third of the Blessed Virgin Mary.

14. Upon simples and ferias, three collects, etc., are said; but if the priest please, he may say five or seven, to be taken out of the divers prayers in the *common*.

15. Upon week-days, which have no proper office, nor any saint's day occurring thereon, the mass is of the foregoing Sunday.

16. Upon days within octaves, when no proper mass is assigned, the mass is said as on the feast, with three collects, etc.—N.B. The days with in octaves are kept as semidoubles only.

17. The collect of the B.V.M. within octaves on vigils and on semidoubles within paschal time, *Grant, O Lord*, etc., is found in the votive mass of the Blessed Virgin Mary; from Advent to Christmas the collect of B.V.M. is, *O God, who wast pleased*, read in the mass of the first Sunday of Advent; from Christmas to Candlemas the collect of the Blessed Virgin, *O God, who by the fruitful*, as in the mass of the Circumcision.

18. The collect of gen. suffr., or general suffrage, is the prayer of the suffrages of the saints, which begins thus, *Preserve us, O Lord*, found in the ordinary of the mass.

19. The collects for the Church and Pope are said in the mass of the first Sunday of Advent. The collect of the Pope is said on the anniversary days of his creation and coronation; the *creation* here signifies his election to the sovereign Pontificate.

20. The words *ad lib.* signify that one is at liberty to recite any of the occasional collects or prayers found toward the end of a missal.

21. The gospels assigned on Sundays are never omitted. Wherefore if a double be kept on a Sunday, at the end of mass is read the gospel of the Sunday, instead of that of St. John; and the same is observed when a double or semidouble is kept upon one day in Lent, or on a vigil or ember-day.

22. Where a special prayer is ordered to be said in the mass by the Bishop, it cannot be said in the place of the third prayer, which is noted *ad lib.* It must be said as the fourth. This prayer is omitted in all masses of the first class, and in high masses of the second class, unless it be ordered *pro causa gravi*, when it is said under the one conclusion. It may be said in private masses of the second class.

DIRECTIONS FOR USING THE VESPER OR OFFICE-BOOK.

It appears necessary to explain the order as well as the manner in which that part of the public Liturgy of the Catholic Church called *Vespers* is recited or sung.

Our Father and *Hail Mary* being said in silence, the priest, making the sign of the Cross, intones aloud the Versicle, *Deus in adjutorium meum intende*; to which the choir add the responsory, *Domine ad adjuvandum me festina*, with the *Gloria Patri*; and when five psalms with as many anthems have been sung, the priest sings the *little chapter*.

Then are sung the *Hymn*, with its *Versicle* and *Responsory*, and the *Magnificat*, with its *Anthem*, followed with such *Prayer* and *Commemorations* as are suitable to the day; which, if it be neither a *Double* nor within the Octave of a Festival, are the common *Commemorations* or *Suffrages*, and are to be found after the vespers for Saturday.

Every double has *first* and *second* vespers: the *first* are said on the eve of the Festival, and the *second* on the Festival itself. Hence it often happens that the vespers are not of the Sunday, but of some double that falls on the ensuing day.

To find out the *particular vespers* for every Sunday and holyday throughout the year, consult the Directory at the day of the month on which such Sunday or Festival falls.

EXPLANATION OF THE VESTMENTS AND CEREMONIES USED IN THE HOLY SACRIFICE OF THE MASS.

All the external rites used in the celebration of the Holy Mysteries are intended for the instruction of the faithful. The chief design of these rites is to commemorate and to represent the passion and death of our Lord and Saviour Jesus Christ. This is plainly to be observed in the Altar and its ornaments, as also in the vestments which are worn by the Priest.

The *Altar* represents Mount Calvary, where the Redeemer of the world expired upon an ignominious cross. This very word *Altar* has relation to sacrifice, which must necessarily be offered to God in that church in which his true faith is professed: and hence this name of Altar is mentioned by St. Paul—"We have an altar," said he, "whereof they have no right to eat who serve the tabernacle."—Heb. xiii. 10. The Altar also represents

the table on which our blessed Saviour, the night before he suffered, celebrated his last supper with his disciples.

The *Candles* are lighted during the Holy Mysteries, through a motive of honor and respect. They represent the light of faith, and the fervor of charity, which the Gospel inculcates. They are also expressive of spiritual life and joy. "Throughout all the churches of the East," says St. Jerome, "when the Gospel is to be read, though the sun shines, torches are used, not to chase away darkness, but for a sign of joy."

The *Crucifix* is placed in the middle of the Altar, to represent to our minds the passion and death of Jesus Christ, which are chiefly to be considered and piously meditated upon in this Holy Sacrifice.

The *Amice*, a linen cloth which the priest pulls over his head, and fastens round his neck, signifies the linen with which the Jews blindfolded our Saviour in mockery when they smote him and buffeted him, saying: "Prophecy unto us, O Christ! who is he that struck you?"—Matt. xxvi. 68.

The *Alb* represents the white garment which Herod put upon Christ after he had despised and mocked him.—Luke xxiii. 11.

The *Maniple* that the priest wears on his left arm, the *Stole* that he hangs down from his neck, and the *Girdle*, figure the cords and fetters with which the officers of the Jews bound Christ, and led him from one place to another.—John xviii. 12-24.

The *Chasuble*, or upper garment, represents the purple garment which the soldiers put upon Jesus Christ, and the heavy cross that he carried on his blessed shoulders to Mount Calvary.

As to the colors of the ornaments with which the priest celebrates the Holy Mysteries, the *White* is used on the Festivals of our Lord, of the Blessed Virgin Mary, and of all the saints who are not martyrs.

The *Red* is used on Pentecost, on the Invention and Exaltation of the Cross, and on the Feasts of the Apostles and Martyrs.

The *Purple* or *Violet*, which is the penitential color, is used on all the Sundays and Ferias of Advent, and during the whole of the penitential time, from Septuagesima Sunday till Easter; as also on all Vigils, Ember-Days, and Rogation-Days, when the Office is of them, and on the Feast of the Holy Innocents.

The *Green* is used on all Sundays and Ferias from Trinity-Sunday to Advent exclusively, and from the Octave of the Epiphany to Septuagesima Sunday, exclusively, when the Office is of the Sunday; but in Paschal time the *White* is used.

The *Black* is used on Good Friday, and in Masses of *Requiem* for the dead, which may be said on any day that is not a Sunday or a Double, except from Palm-Sunday to Low-Sunday, and during the Octaves of Christmas, of the Epiphany, of Pentecost, and of Corpus Christi.

1. On the Anniversary of the Consecration of a Bishop the solemn Votive Mass of Consecration should be celebrated in the Cathedral Church. If the Anniversary fall on a Sunday of the 1st Class, within Holy Week, on Easter, Pentecost, Christmas, etc., the Anniversary Mass should (for that year) be omitted. Should it occur upon a Sunday in Lent, the prayer for the Bishop must be said in the "Mass of the time." Throughout the diocese, the commemoration of the same anniversary must be made by every priest with the prayer, "*Deus omnium fidelium*," in the Votive Mass of the anniversary of the Consecration of a Bishop. This commemoration, however, should be omitted when the Anniversary occurs on Festivals of the 1st Class, Holy Thursday, Holy Saturday, or on any of

the Sundays which admit only one prayer at Mass. But on Sundays and feasts of the 2d Class the Commemoration is made with one ending.

2. The Mass for the Transfer of a Bishop must be celebrated in the Church over which he is last placed; and throughout the diocese the commemoration must be on the Anniversary of the Transfer.

3. By an Apostolic Indult, dated February 7, 1847, the Solemnity of the Immaculate Conception of the B. V. M., unless it fall on Sunday, is to be transferred to the following Sunday, on which the private as well as the solemn Masses are celebrated *of the Feast*. It is also made the Patronal Feast of the United States. The commemorations proper to the day are to be observed according to the Rubrics.

Province of Oregon.

THE Province of Oregon City includes the Dioceses of Oregon City, Nesqually, Vancouver Island, and the Vicariates Apostolic of British Columbia and Idaho Territory.

PRELIMINARY REMARKS.

The Western Catholic Mission of Oregon was commenced by Very Rev. F. N. Blanchet, Vicar-General, and Rev. Modeste Demers. They were sent by the Archbishop of Quebec, whose jurisdiction extended to the Pacific coast. The latter left Canada for Red River in 1837; the former, Montreal, May 3, 1838. Both leaving Red River July 10, arrived at Fort Vancouver November 24, 1838, having passed the summit of the Rocky Mountains, October 10, by the fifty-second degree of latitude.

The Eastern Catholic Mission, at the Rocky Mountains, was commenced by Rev. Father De Smet, S.J., in 1840, in a flying visit made to the Flat Head tribe of Indians. Having ascertained their good dispositions, he returned among them with two other Fathers, in 1841, and founded the St. Mary's Mission, at the Rocky Mountains, which gave its founders a great consolation.

The Catholic Mission of Oregon, extending from the Pacific to the Rocky Mountains, between the forty-second degree on the south to the Glacial Sea on the north, was erected into a Vicariate Apostolic, with the Very Rev. F. N. Blanchet for its Bishop, under the title of Philadelphia, *in partibus infidelium*, by a Brief of December 1, 1843, which title was afterward changed into that of Drasa, by Apostolic Letters of May 4, 1844.

The Vicariate Apostolic of Oregon was erected into an Ecclesiastical Province, with the erection of three Sees, June 24, 1846; Right Rev. Bishop of Drasa being appointed to the Metropolitan See of Oregon City; Right Rev. A. M. A. Blanchet to that of Walla-Walla; and Right Rev. M. Demers to that of Vancouver Island. The See of Walla-Walla having been suppressed, the Bishop of Walla-Walla was translated to the See of Nesqually, May 31, 1850.

NEW CHURCHES.

The foundation of a new brick church has been laid in Sullivan's Island, near Fort Moultrie, opposite Charleston, by the efforts of Very Rev. T. Bermingham, D.D., V.G.

It is hoped it will be an attractive object on an island memorable for

two wars. The corner-stone of the church was laid under the title of "Saint Mary, Star of the Sea."

A new frame church has been commenced in Aikin, S. C., under the exertion of Rt. Rev. Dr. Persico. It is already roofed.

On the same lot with the Cathedral Chapel, a new parochial male school is just finished. It partly occupies the site where the residence of the priests stood before the fire. The bricks of the old ruins have been of material aid, and the brick building, large and spacious, is well adapted for its important object. Rev. Father Quigley took charge of this work, and has the credit of being successful. The upper story is a fine lengthy hall, constructed for the use of the members of the "Catholic Institute." The school is capable of accommodating four hundred pupils.

INDUCEMENTS TO SETTLE IN MISSISSIPPI.

The following are some of the advantages which the State of Mississippi offers to settlers.

Of course there are great varieties of climate, soil, productions, etc., since the State has a range of two hundred and eighty miles (280) north and south—from the boundary of Tennessee to the Gulf of Mexico. Consequently the following remarks are not all applicable to all parts. It is advisable that persons should either visit the country, or in other ways make themselves acquainted before actually moving there.

The mild climate makes the country almost entirely free from consumption, and lung diseases in general are much more rare and much less dangerous than in the North.

Although the summer is long, yet the heat does not become as intense as in New York and Chicago. At Natchez, in the hottest summers, the thermometer does not rise above 94° Fahrenheit. The summer nights also are longer and cooler than in the North. Sunstroke is almost or quite unknown there.

In winter, the freezing is not severe nor long continued; seldom lasting more than three days in succession, consequently the ground is not much penetrated by the frost: and a few days of clear weather dry the surface enough to allow of ploughing and other field work, even in January and February.

Vegetables and fruits ripen from six to eight weeks earlier than they do north of the Ohio river. And good railroads, besides the Mississippi river, give quick and cheap transportation to all the Northern markets—east and west.

The shortness and mildness of the winter are such that, in some parts, an industrious man on a small place may be able to obtain three or even four crops out of the same ground in one year. Irish potatoes may be gathered early enough to plant sweet potatoes after them. And these may be followed by beans, and afterwards by turnips for the winter.

Figs grow easily and abundantly, and ripen in all parts of the State. And in the extreme south, on the coast of the Gulf of Mexico, are oranges and bananas; within six hours' run of New Orleans by steamboat.

In the north-eastern parts of the State are fertile prairie lands—excellent for grains and fruits.

In some places are beds of marl, which offer an abundance of natural manure easily obtained.

In the south are large tracts of pine timber, with railroads running through them.

In some of the northerly parts is found coal, offering means for steam manufacturing.

Planters are offering their lands in small lots at low prices and on long payments, to encourage *bona fide* settlers of industrious habits.

The disposition of the people is favorable to the church. They encourage its increase even as a matter of policy to induce settlers to come among them. And for higher motives they appreciate the doctrines and the institutions of our holy religion much better than they formerly did. In fact—partly owing to this good spirit, and partly to the already increasing number of Catholics—small churches have been opened in six new places since the end of the war; whereas there had been only fifteen erected in twenty-one years before the war.

Chills and fevers are not much prevalent in Mississippi, unless in the swampy parts of the country; and these are not much inhabited. The chief extent of this State is dry and healthy.

Persons desiring more particular information concerning the State of Mississippi, with a view to settling in it, can address their enquiries to Governor Humphreys, Jackson, Mississippi; or to Col. J. M. Wesson, Wesson Station, Mississippi.

Professor Hilgard, formerly State Geologist, and Professor George Little, now holding that office, are each of them familiar with the soil and productions of the different parts of Mississippi; and either of them will take pleasure in giving all the satisfaction in his power. Either of them may be addressed at the State University, Oxford, Mississippi.

There will be twenty priests on the mission before January, 1869.

City of Macon, Church of the Assumption, Rev. Louis Bazin.

Atlanta, Church of the Immaculate Conception, Rev. Thomas O'Reilly. The city of Atlanta has suffered awfully from the war, but the church was providentially saved, and the Catholics are returning fast to their homes.

Columbus, Church of St. Philip and St. James, Rev. Michael Cullinan.

MISSIONS ATTENDED FROM THE ABOVE-MENTIONED CITIES.

Attended from Savannah, by the Clergy of St. Patrick's: Darien, McIntosh Co.; Brunswick, Glynn Co.; St. Mary's, Camden Co., where a small church was destroyed by fire during the war; also numerous stations on the Gulf road, as far as Thomasville and Bainbridge; likewise some stations in Scriven and Effingham counties.

Attended from Augusta: First, Locust Grove, an old Catholic settlement of the Diocese, with a church, under the title of the Purification of the B.V.M., and a regularly consecrated graveyard. The settlement was partially abandoned by the former inhabitants, but offers great induce-

ments to Catholic settlers. It is visited once a month from Augusta, on the second Sunday of the month. Second, Washington, Wilkes Co.; there is here also a small church, attended once a month from Augusta, as the preceding place. Third, Sparta, where a small exceedingly neat church was built this summer. Stations on the Georgia road and its branches, Athens, Union Point, Greensboro, etc.

Attended from Macon: Albany, where there is a brick church recently built; Americus, Cuthbert, Milledgeville, Eatonton, Hawkinsville, Fort Valley, Fort Gaines, etc., and generally families on the South-Western road and the Central road.

Attended from Atlanta: Dalton, where there was a small elegant church, which was destroyed by fire toward the end of the war; now in process of reconstruction; Rome, Jonesboro, Lagrange, Springplace, Murray Co., etc.

Attended from Columbus: West Point, Chattahoochee, Butler, etc.

RELIGIOUS, EDUCATIONAL, AND CHARITABLE INSTITUTIONS.

Convent of the Sisters of Our Lady of Mercy, Savannah. This is a branch of an Order, founded by the illustrious Dr. England, Bishop of Charleston, where the nuns renew the vows of religion every year, and live under a rule approved by the Bishop. The community of Savannah counts ten professed sisters, three novices, and two postulants. Mother Agnes, Superior. There are four educational departments in the convent, independent of each other: boarders, 38; day-pupils, 90; free school pupils, 110; orphans' school contains 34 little children, entirely dependent upon the emoluments of the house for their support. The Sisters also attend the free school attached to St. Patrick's Church. The congregation of St. Patrick's have lately erected a splendid school-house, with all desirable improvements and commodities, where upwards of four hundred children are to be taught.

Sisters of St. Joseph.—These sisters were lately obtained from France, to take the direction of schools for colored children. They have opened schools in Savannah and in St. Augustine with great success, the colored children, boys and girls, under their charge giving most satisfactory and encouraging marks of social and moral improvement. The only thing to be regretted in this matter is the small number of Sisters with regard to the colored population, and the great expense which attends the support of those schools.

Male Orphan Asylum, attached to the Cathedral of St. John the Baptist, under the supervision of the Bishop. It has now 42 small boys.

Female Orphan Asylum, under the superintendence of the Sisters of Mercy. There are now 30 orphan girls in the institution.

There are now four *Catholic schools* for boys in Savannah, with an aggregate number of about 500 boys.

Academy of St. Vincent of Paul, conducted by the Sisters of Mercy, designed for boarders. It had lately nearly 100 young ladies; it has now about 40. The rooms and grounds of the academy are spacious and convenient for the accommodation of boarders.

The Sisters also keep *day-schools* and a *free school* for the instruction of the girls of the city of Savannah.

The *Society of Our Lady Help of Christians*, among the Catholic ladies of Savannah, for the relief of the poor.

A religious paper, *The Banner of the South*, is published in Augusta, under the editorial supervision of Rev. Abraham P. Ryan.

Augusta.—*Convent of the Sisters of Mercy*. This is a branch of the community of Savannah, under the control of the house of Savannah. Sisters, 5. Local Superior, Sister Mary Ignatius. The Sisters of Augusta keep an orphan asylum, an academy for young girls, and also a free school. Boarders, 12; orphans, 16; day-pupils, 80; children in free school, 30.

Macon.—The Sisters of Mercy in Savannah have sent a colony of Sisters to Macon, where they have opened a school for girls. Local Superior, Mother Vincent. Sisters, 3; day-pupils, 60.

Columbus.—*Convent of the Sisters of Mercy*. This convent, established in Columbus during the war, was heretofore a dependence of a community of the same name in St. Augustine. Most of the sisters of the latter place are now in this Convent of Columbus. The community belongs to the order founded by Mother McAuley, in Dublin. Mother Bonaventure, Superior.

Atlanta.—The pastor of Atlanta has lately built a splendid convent, where the Sisters of Mercy keep a boarding-school for girls, and a day-school for the convenience of the children of Atlanta. Sister de Neri, Superior. Sisters, 5; boarders, 14; day-pupils, 80.

Climate.—The soil and the climate of Georgia invite settlers to come here and work to their own advantage the agricultural resources of the State, which are inexhaustible. Catholics are not advised to settle in the midst of sectarian districts, far from any Catholic church, where they and their children would be exposed to the danger of shipwreck in the faith. But if they understand gardening, and have a small capital, they will find, in the vicinity of cities, rich lots, which will repay well their industry.

CHURCHES AND CLERGY.

St. Augustine, St. John's Co., Church of St. Augustine, Rev. Henry Clavreul, Rev. F. Rousse.

Jacksonville, Duval Co., Church of the Immaculate Conception, Rev. F. Gabouri, Rev. A. Landry. The church of Jacksonville, together with the parochial residence, which was a large and comfortable building, was destroyed by fire during the war. The officers of the Government, regretting this sad occurrence, have given boards to put up a temporary shelter to assemble the Catholics of the place. They are unable to rebuild the church and the house; it is therefore intended, as soon as circumstances will allow, to call on the sympathy and liberality of the Catholics of the North to remove, as soon as possible, these sad vestiges of the late troubles in the country.

INSTITUTIONS.

St. Augustine's Academy.—The Brothers of the Christian Schools left their house during the war. It is expected they will soon return. In the mean time a male school is kept, under the patronage of the clergy.

Sisters of St. Joseph.—These Sisters keep schools for the children of St. Augustine.

REMARK.—Catholic gardeners and farmers who would like a pleasant and healthy place to settle in, would do well to try the neighborhood of St. Augustine. This place was originally settled by Catholics, and the Catholic element prevails there yet to this day. The country is well adapted to the cultivation of the vine. The *black* grape, which gives a red wine, very good for the table, and the *purple* grape, which gives a

white wine similar to the Sauterne and to the Champagne, grow in St. Augustine with astonishing luxuriance. It is also believed that the insect which has for some years back blighted the prospects of Florida has now disappeared, and that delicious oranges can be obtained everywhere as heretofore. Honest, industrious settlers, furnished with a small capital, can scarcely meet with a failure.

Irish Ecclesiastical Register.

IRELAND is divided, ecclesiastically, into four Provinces, named after the four Archiepiscopal Sees, Armagh, Dublin, Cashel, and Tuam, which are not coincident with the civil Provinces in which they are respectively situated. The Province of Armagh, containing the Primatial See of All Ireland, embraces, besides the civil Province of Ulster, the whole or portions of the counties of Louth, Meath, Westmeath, King's, and Longford, in Leinster, with Leitrim, Sligo, and Roscommon, in Connaught; the Province of Dublin, under the Primate of Ireland, contains a portion only of the civil Province of Leinster, embracing the whole or portions of the counties of Dublin, Kildare, Wicklow, Queen's, Wexford, Carlow, King's, Meath, and Kilkenny; the Province of Cashel is mainly coincident with the civil Province of Munster, a small portion of the north of Clare—the Diocese of Kilmacduagh—being suffragan to Tuam; whilst the Province of Tuam is smaller than the civil Province of Connaught, and includes the whole or portions of the counties of Galway, Mayo, Sligo, Roscommon, Clare, and King's.

The Province of Armagh includes the Diocese of Armagh, with the Dioceses of Meath, Derry, Clogher, Raphoe, Down and Connor, Kilmore, Ardagh, and Dromore, as Suffragan Sees; total, nine Dioceses.

The Province of Dublin includes the Diocese of Dublin, with the Dioceses of Kildare and Leighlin, Ossory, and Ferns, as Suffragan Sees; total, four Dioceses.

The Province of Cashel includes the Diocese of Cashel, and the Diocese of Emly attached, with the Dioceses of Cork, Killaloe, Kerry, Limerick, Waterford and Lismore, Cloyne, Ross, and Kilfenora, as Suffragan Sees; total, eight Dioceses.

The Province of Tuam includes the Diocese of Tuam, with the Dioceses of Clonfert, Achonry, Elphin, Kilmacduagh, Galway, and Killala, as Suffragan Sees; total, seven Dioceses.

There are thus four Dioceses, each presided over by an Archbishop, and twenty-four Suffragan Sees, or a total of twenty-eight Dioceses in Ireland, the united Sees of Kilmacduagh and Kilfenora having the former Suffragan to the Archbishop of Tuam, within which Province the whole Bishopric is usually placed, whilst the less extensive Diocese of Kilfenora is Suffragan to the Archbishop of Cashel.

Chapters.—In some of the Dioceses the Chapters have been revived and organized, the members of which, together with the principal Dignitaries of the Diocese, will be found under the heads of the respective Sees,

Parishes and Benefices.—The number of civil or legal Parishes in Ireland is 2,422, and the number of Catholic Parishes or Benefices marked by territorial jurisdiction 1,070, so that the Civil and the Catholic ecclesiastical Parishes are rarely conterminous.

Educational Establishment for Young Ladies,

Under the Superintendence of the

SISTERS OF THE CONGREGATION OF NOTRE DAME,
WATERBURY, CONN.

In the valley of the Naugatuck, and in its most prosperous and growing city, the Sisters of the Congregation of Notre Dame have opened a Boarding School for Young Ladies, where they will impart instruction to those committed to their charge in all the branches of a solid and polite learning. The position of the Convent is beautiful; it is surrounded by extensive play-grounds, tastefully ornamented with forest trees and shrubbery, and although in the midst of a city it possesses all the privacy and seclusion of the country. Built on an eminence, it is dry and healthy, and well calculated to give that vigor to the body which makes study an enjoyment.

This Institution affords an opportunity to parents to give a thorough moral and intellectual education to their daughters, at a moderate outlay. For a portion of each day the pupils are obliged to converse only in the French language, which all the Sisters speak with the same facility as English. The order of study is so well regulated, and the training of the teachers so thorough for the responsible duties of such an Establishment, that the pupils must necessarily make rapid progress in learning. Nothing is neglected to form their minds to virtue, and adorn them with those accomplishments which will afterwards enable them to fill, with honor, their position in the world and society.

Washing, Mending, and Use of Bed and Bedding,	30 00

The studies of the pupils will be regulated according to the wishes of the parents. No distinction will be made in the admission of young ladies of any denomination; but for the order of the Institution, a general conformity to its rules will be demanded, without any interference with their religious feelings.

Two sessions of five months each, the first beginning with September and the second with February, constitute the scholastic year. No deduction will be made for absence or removal during the session, except in case of protracted illness.

In all cases when the pupils are not known, references will be required on entering.

Besides the uniform of the house, which is black, each boarder will require a sufficiency of linen and clothing, a dressing-case, knife, fork, silver goblet, spoons, napkin ring, six toilet and six table napkins, four pillow cases, and one black and one white net veil two yards in length.

A large building, containing halls, class-rooms, music and drawing-rooms, with ample sleeping accommodations, for over one hundred boarders, is in course of erection.

Ursuline Academy for Young Ladies,

ST. MARTINS, BROWN COUNTY, OHIO.

To form young ladies to virtue, ornament their minds with useful information, accustom them to early habits of order and economy, and to cultivate in them those qualities which render virtue both amiable and attractive, not only in the family circle but in society likewise, is the mission of the Ursuline Order in general; this shall be the object of the constant efforts of the community which now solicits a select patronage. The pupils are always under the mild and efficient care of their instructresses. The Academy is situated on a healthy and beautiful farm, and the limits assigned to the pupils afford them, during the hours of recreation, ample space for exercise. The course of instruction, commencing with the elements of education in English and French, comprises Orthography, Reading and Writing, Arithmetic, Algebra and Book-keeping, Grammar and Rhetoric, English Composition, Ancient and Modern Geography, Sacred and Profane History, Astronomy, and use of the Globes, Chronology, Philosophy and Chemistry, Natural History, Biography, Antiquities, Mythology, Botany, Music (vocal and instrumental), Drawing in Pencil and Crayon, Painting in Oil and Water Colors, Plain and Ornamental Needle Work, Tapestry, Embroidery in Lace and Muslin, Pearl and Wax-work, Flowers, etc.; German, French, Italian, Latin, and Spanish. Those among the number of the Graduate Class who have attained any proficiency in French, pursue their principal studies in that language. Premiums are awarded at the end of each year to the pupils who may have excelled in their respective classes, and Academic Honors to those who have distinguished themselves by their good conduct, politeness, and order. Pupils of every religious denomination are admitted into this institution. No influence is ever exercised to bias the religious principles of the young ladies, nor will any of them be at all permitted to embrace the Catholic persuasion without a written or verbal permission from their parents. To promote order, all the boarders will be required to conform outwardly to the general regulations of exterior worship. Letters written or received by the young ladies are subject to inspection. The scholars are not allowed to bring any books, except such as are used in the school, and books of devotion. Twice a year bulletins are transmitted to parents or guardians, informing them of the conduct, proficiency, and health of their children or wards. The boarders are required on Sundays, and particular occasions, to dress in uniform, viz.: in Winter, a mazarine blue merino dress and a straw bonnet or hat, with blue trimming to suit the dress; in Summer, one pink lawn and one pink chintz, and a straw bonnet or hat trimmed with white. It is also necessary for each young lady to have one plain white dress, and (Catholics) two yards of mull muslin for a Communion veil; a sun-bonnet or hat, and a winter hood; dressing-case, soap, brushes and combs, towels, etc. They are required to bring with them the ordinary table furniture, consisting of two knives and forks, a table and tea spoon, a tumbler or goblet, and six table napkins. It is requested that these articles should bear their name or initials. The parents or guardians of the young ladies who reside at a distance, are required to designate some correspondent in Cincinnati, who will be charged to liquidate their bills when due. In all applications for pupils good references are required. The scholastic year or session comprises ten months, commencing on the first Monday in September, and ending the last of June. This session is divided into four quarters, and a quarter commenced is charged in full. Boarders pay the current expenses semi-annually in advance.

ACADEMY OF THE VISITATION, OTTUMWA, IOWA.

On Tuesday, the 26th of October, 1864, the Sisters of the Visitation opened an Academy for the instruction of young ladies in all the branches of a thorough English and classical education, including instructions in German, French, and Latin, Crayon and Pencil Drawing, Painting in Oil and Water Colors, with lessons in Vocal Music and on the Piano, Harp, and Guitar; also in all kinds of needlework.

TERMS.—Invariably in advance. If payments are not made, or reliable security given, within a week after the commencement of each term, the pupil must be withdrawn.

No deduction except in cases of SEVERE and PROTRACTED illness.

The site of Ottumwa, on the beautiful Des Moines, is pleasant and healthy. The communication by railroad renders the Academy easy of access at all seasons of the year. Although but recently established in this place, yet other institutions of the Order have flourished throughout the length and breadth of the land since 1799, when the first Academy of the Visitation opened at Georgetown, D. C., since which time they have enjoyed a reputation exceeded by none in the country.

The Sisters of the Visitation, although professing the Catholic faith, will at all times respect the religious belief of their pupils, no discussion upon Religion, Politics, or Nations being permitted. Discipline and order will only require attendance at Divine service on Sundays. Special attention given to the morals and manners as well as the minds of the pupils.

The scholastic year is divided into four terms, of eleven weeks each, commencing on the first of September. There will be two examinations each year. A semi-annual report is transmitted to the parents of each young lady, giving an account of her proficiency in her studies. At the end of each month the pupils will assemble in the presence of their teachers, and a report made of their progress in their studies, and attention to the rules of the school. To excite to emulation all who have distinguished themselves in their respective studies, as well as by exemplary conduct, will be rewarded by the Superior.

To contribute to the exact observance of rules, as well as polite and amiable deportment, the young ladies are divided into two circles. A Crown and a Gold Medal is awarded to the first in the Senior Circle—a Crown to the first in the Junior Circle.

ST. LOUIS UNIVERSITY,

ST. LOUIS, MO.

The St. Louis University was founded in 1829, by members of the Society of Jesus. In 1832 it was incorporated by an act of the State Legislature, and empowered to confer the usual academic honors.

The Collegiate Department comprises two distinct courses of study—the classical and the commercial. The classical course is designed to impart a thorough knowledge of the English, Latin, and Greek languages; of Mental and Moral Philosophy; of pure and mixed Mathematics, and of the Physical Sciences. It is completed in six years. The students in this course are divided, according to their proficiency, into six classes, which correspond with the six years of the course. The commercial course, which extends through four years, embraces all the branches of a good English education. When a student is admitted, he is examined by the Prefect of Studies, and placed in the class which his previous attainments have qualified him to enter.

The Academic Year consists of one session, beginning on the first Monday of September, and ending about the 4th of July. Students are admitted at any time during the session.

The University possesses a valuable Museum and a complete Philosophical and Chemical apparatus. The College Library numbers about fifteen thousand volumes, exclusive of seven thousand volumes in the select libraries, which are open to the students.

any institution for female education in the country, led me, as a duty to the public, to encourage the erection of buildings of such extent, and so located, as to present to parents every possible inducement to avail themselves of the benefits of the school. The Sisters now occupy their new buildings at Mt. de Chantal, and are prepared for the accommodation of two hundred pupils. The same sense of duty which led to the improvement now suggests the strong and decided recommendation which I hereby address to the public through the *Freeman's Journal*. I trust it will be extensively circulated by the friends of education and the lovers of music, especially in the West and South. I have alluded only to the musical department as beyond competition. In other respects, I regard the school as inferior to none.

R. V. WHELAN, *Bishop of Wheeling.*

Extract from the New York "Freeman's Journal."

The Academy of Mt. de Chantal, for young ladies, conducted by the Sisters of the Visitation of the Blessed Virgin Mary, is situated just far enough out of Wheeling to be rid of the smoke and dust of that city. It is built on a lovely region of hill and dale, and enjoys the benefits of the delightful climate of that western spur of old Virginia. The general management of this Academy is of a very high order. The approbatory note of the Right Rev. Dr. Whelan, Bishop of Wheeling, which we publish this week, would of itself sanction such a conclusion. Bishop Whelan, at the same time that he is a devoted Bishop, is, from his birth and training, a true Virginia gentleman. But, outside of his commendation, we have good reasons for saying that this Academy has great claims on the confidence of parents in all regions convenient to that place.

Bishop Whelan, in his note, refers especially to the advantages for thorough musical accomplishments offered at the institution. Following his reserve, we will not mention the name of the wonderful songstress and thorough-bred musician that makes this Academy so remarkable. Religious modesty might be offended. But she is not forgotten in Philadelphia, where her youthful genius was so well appreciated in the most cultivated circles. The most flattering attachments of musical celebrities, among whom we may mention Madame Sontag, availed not to prevent this young lady consecrating herself and all her gifts to the religious life.

MOUNT DE CHANTAL.

Wolfsohn's Testimonial.

To the many who are sincerely interested in promoting the real advancement of musical science, particularly as regards the education of young ladies, it will certainly be very gratifying information that an Institution exists which cannot be too much commended in this respect. I allude to the *Academy of the Visitation*, at Mt. de Chantal, near Wheeling, W. Va. It is with the greatest pleasure that I most warmly recommend it to all who can appreciate a true and thorough musical education.

Having visited the Institution, and examined with care the method of instruction there pursued, and its results, I have no hesitation in making the above assertions, the truth of which has been repeatedly confirmed in my experience with pupils whose course commenced and continued there for years.

The Instrumental and Vocal departments are chiefly under the direction of a Sister, a distinguished pupil of Perelli, of Philadelphia. A conscientious student, gifted with extraordinary ability, and a voice of unrivalled power, she knows no other watchword than progress for the benefit of the pupils confided to the community.

By her care a competent body of teachers has been formed, while the abundant time allowed for practice, and the manner in which this is superintended, deserve especial praise. The absence of such distractions as too often render useless, in our large cities, the best teaching that can be obtained, secures for this school the success which has given it its high reputation.

At a time when so many musical conservatories are springing into existence all over the country, it must be a satisfaction to our Western friends to know that among them an Institution has existed for years which it would be difficult to equal.

PHILADELPHIA, May 25, 1867.

CARL WOLFSOHN.

Georgetown College, D.C.

This Institution, under the direction of the Fathers of the Society of Jesus, was founded by Archbishop CARROLL, in 1789, and raised by Congress to the rank of a University in 1815.

The Medical Department was opened in Washington City in May, 1851.

The College is situated on the northern bank of the Potomac, commanding a full view of Georgetown, Washington, the Potomac, and a great part of the District of Columbia. The situation is peculiarly healthy.

The Academic year begins on the FIRST MONDAY OF SEPTEMBER, and ends in the FIRST WEEK OF JULY. The Collegiate Course, including the Preparatory Classes, which lasts three years, occupies seven years, unless the proficiency of the student authorizes an abbreviation of the term.

Students are received at any period of the year, and are assigned to the classes for which, on examination, they may be judged competent.

Students of all denominations are required to attend the ordinary exercises of Catholic worship.

Instruction in the French language constitutes a part of the regular course. German and the other modern languages are optional, and form extra charges.

Upon the completion of the regular Classical course, candidates for the degree of B.A. are required to undergo an examination in Rational Philosophy, and the Natural Sciences.

The College grounds are spacious and well provided with Gymnastic Apparatus.

The students maintain among themselves Military organizations, a well supplied Reading-Room, and Literary Societies, with select Libraries attached.

Immoral publications are rigidly excluded; and no books, papers, or periodicals are allowed to circulate among the students unless previously revised by an officer of the College.

Quarterly reports will be sent to the Parents or Guardians of the students, giving an account of their proficiency and conduct.

CHARLES SCRIBNER & CO.'S EDUCATIONAL TEXT BOOKS.

GUYOT'S GEOGRAPHIES AND MAPS.

-  "Incomparably superior to anything published."—PROF. AGASSIZ.
 "One of the ablest Physical Geographers of the world."—PROF. J. D. DANA.
 "Greatly superior to any works of the kind published."—PROF. JOS. HENRY.

The astonishing success which Prof. Guyot's Geographical Text-books have already achieved—nearly half a million copies having been sold in little more than two years since their first introduction—is the most emphatic endorsement possible of their pre-eminent merits. Hundreds of our leading instructors, including some of the most distinguished scientific minds of this country, and indeed of the world, have emphatically endorsed them as containing the only true and the only philosophical method of developing Geography as a science. The Text-books are rapidly finding their way into the school-rooms throughout the country; and from all those into which they have been introduced we have emphatic and unanimous testimony that they have made the study of geography a pleasure instead of tedious drudgery, and that scholars of all ages pursue it with a zest and enthusiasm to which they were strangers under the old system of learning by rote.

Prof. Guyot's Series of Geographies includes the following Text-books:

- I. Introduction to the Study of Geography.*
- II. Elementary Geography.*
- III. The Intermediate Geography.*
- IV. Common School Geography.*

These Geographies are used in a large number of prominent Catholic Institutions, among which are the following:

College of St. Francis Xavier, New York.	St. Mary's Academy, Newark, N. J.
Catholic Institute, Jersey City.	St. James' Parochial School, Newark, N. J.
St. Peter's Academy, " "	St. Agnes' Academy, Paterson, N. J.
St. Peter's Parochial School, Jersey City.	St. Agnes' Convent, " "

TESTIMONIAL FROM PROF. A. H. DUNDON, PRINCIPAL OF THE CATHOLIC INSTITUTE, JERSEY CITY.

"I earnestly recommend the introduction of your Geographies into our Schools. They must of necessity supply a great and widespread want in this respect; and, while their tendency is to enlarge the mind, the manner in which a naturally attractive subject is rendered still more attractive is beyond all praise."

To Teachers.—Teachers desiring to examine these Text-books can procure them of the Publishers at the following prices: The *Introduction*, 75 cents; the *Elementary*, 60 cents; the *Common School Geography*, \$1 50; the *Intermediate Geography*, \$1; or the four books will be sent together to Teachers for \$3 50.

 Pamphlets, containing testimonials from instructors who have practically tested Prof. Guyot's Geographical Text-books, will be sent to any address. 

Prof. Guyot's Physical and Political, and Classical Wall Maps.

These Maps are issued in a style superior to any others produced in this country, and are the only ones which deserve to be recommended for use in schools, academies, and colleges.

The *Large* series (\$71 per set) comprises nine maps, ranging in size from 4 × 5 to 10 × 6 feet.

The *Intermediate* series (\$38 50 per set) comprises eight Maps, one 5 × 6 and the others 4 × 5 feet.

The *Primary* series (\$18 per set) is neatly arranged in a portfolio.

The *Classical* Maps includes those of the Roman Empire, of Ancient Greece and of Italy, each 6 × 8 feet in size, and sold for \$15 each, or \$45 per set.

Any of these Maps, excepting those belonging to the Primary set, may be purchased singly.

Pamphlets containing full descriptions of these Maps may be procured on application to the Publishers.

The American Educational Series.

No Series of School-Books ever offered to the public has attained so wide a circulation, or received the approval and endorsement of so many competent and reliable educators, in all parts of the United States, as this.

Among the most prominent of their publications are the following, viz. :

ROBINSON'S COMPLETE MATHEMATICAL SERIES.

With the improvements and additions recently made, this Series is the most complete scientific and practical of the kind published in this country. The books are graded to the wants of Primary, Intermediate, Grammar, Normal, and High Schools, Academies, and Colleges.

THE METRIC SYSTEM OF WEIGHTS AND MEASURES, full, practical, and greatly simplified, has been added to the Written Arithmetics.

Brother Ambrose, Provincial of the Christian Brothers of the United States: "We have been using Robinson's Series of Mathematical Books for over three years, and find them so well adapted to our purposes that they now supersede all other works on Mathematics in our Schools and Colleges. A report having gone abroad that Robinson's works were excluded from our Schools, I avail myself of the present occasion to contradict it, and to add that they are the standard works used in our Schools and Colleges, not only in the United States, but in the Canadas."—*De La Salle Institute, New York, March, 1865.*

The "*Brothers of the Christian Schools*" have ordered such of Robinson's Mathematical Series as are adapted to their classes, and they are now in use in schools under their supervision in Montreal, C. W., Quebec, C. E., Santa Fé, New Mexico, New Orleans, St. Louis, Chicago, Detroit, Baltimore, Philadelphia, New York City, Brooklyn, Albany, Troy, Utica, Rochester, and many other large towns.

Kerl's New Series of Grammars.

For simplicity and clearness, for comprehensive research and minute analysis, for freshness, scientific method, and practical utility, this series of English Grammars is unrivalled by any other yet published.

SPENCERIAN COPY-BOOKS.

Used in NINE-TENTHS of all the Normal Schools in the United States. Officially adopted and used in all the principal cities of the United States. Taught in all the Commercial Colleges.

Kerl's Composition and Rhetoric.

PRICE, \$1 25.

By SIMON KERL, author of the English Grammars in which the study of Grammar is made a most interesting pursuit.

This new rhetoric is a simple, concise progressive, thorough, and practical work, on a new plan. It occupies an intermediate position between common grammar and higher rhetoric, embodying from each what is practically most useful to the writer. It aims to make the student inventive as well as critical, to qualify him for prompt and proper expression in discharging the common duties of life, to guard and refine his taste in the general pursuit of literature, and to aid him in his own literary productions.

The foregoing book, and the "First Lessons in Grammar," when studied together, will furnish an *elementary course* on the English language, or a course of *Grammar, Composition, and Rhetoric*, that is quite sufficient for common schools.

The same book, and the "Common-School Grammar," when studied together, will furnish an *advanced course* on the English language, or a course of *Grammar, Composition, and Rhetoric*, that is sufficient for the great majority of academies and colleges.

DE LA SALLE INSTITUTE, NEW YORK, September 16, 1867.

MESSRS. A. S. BARNES & CO., *Publishers*:

Having been convinced for some time past that the series of Geographies in use in our schools were not giving satisfaction, and came far short of meeting our most reasonable expectations, I have felt it my imperative duty to examine into this matter, and see if a remedy could not be found.

Upon a thorough and critical examination, I have concluded that the best thing that could be done is to entirely displace the old books now in use, and introduce in their place some other series, better adapted to the wants of the schools under our charge.

Copies of the different Geographies published in this country have been placed at our command for examination.

On account of other pressing duties, we have not been able to give as much time to the investigation of all these different series as we could have desired; yet we have found enough to convince us that there are many others better than those we are now using; but we cheerfully give our most decided preference, above all others, to the National Series, by Monteith and McNally.

Their easy gradation; their thoroughly practical and independent character; their comprehensive completeness as a full and accurate system; the wise discrimination shown in the selection of the subject matter; the beautiful and copious illustrations; the neat cut type; the general execution of the works, and *other excellences*, will commend them to the friends of education everywhere.

BRO. PATRICK, *Provincial of the Christian Bros.*

Many of the Christian Brothers' Schools have already adopted these books, and others are now introducing them. Satisfactory arrangements have been made with the Publishers to supply all with Geographies, at greatly reduced rates.

From BRO. JEROME, *Superior of the Franciscan Brothers.*

I have examined Monteith & McNally's Geographies with a good deal of attention, and, in my opinion, they far surpass any series of Geographies that have yet come under my notice. I have introduced them this year (1867) into all our schools.

BROOKLYN, Sept. 20, 1867.

These books constitute the most popular and successful series of the present day. Their progress has no parallel in the history of any other text-books in this department of study. Besides being used in a greater proportion than any others in the academies and schools of New York, Pennsylvania, Ohio, and all the Southern States, they have been adopted or recommended in nearly every Western State, where official recommendations are made, including Wisconsin, Michigan, Missouri, Minnesota, Iowa, Indiana, Illinois, Kansas, Nevada, and in the Territories of Washington, Utah, and Colorado. In short, their increase in circulation, from year to year, seems almost fabulous.

UNIVERSAL CHEAP CATHOLIC BOOKSTORE.

Provide Yourselves and Your Children with good,
wholesome Reading.

*Don't read the trash that is corrupting the American mind, nor
permit your children to read bad books and worse papers.*

Mr. Donahoe, desirous of removing the impression abroad that Catholic books are dearer than those issued by Protestant houses, has always issued his books at as low prices as any Protestant publishers in the country, with the exception of the Bible and Tract Societies, which circulate their books without pay.

The Catholic people do not buy books as freely as they should. Every Catholic house should have on its table the recent Catholic publications of the day. They should provide food for the mind, as well as they furnish food and raiment for the body. If they do not procure good reading for their children, they will read the trash that is issuing from a corrupt and licentious press, which is demoralizing the rising generation.

To give an opportunity to those desirous of circulating not only among Catholics, but Protestants, good cheap Catholic books, Mr. Donahoe is now issuing a series of low-priced books at such prices as will enable all, rich and poor, to purchase them. Among these books are:

Plain Talk about the Protestantism of To-day. From the French of Mgr. Segur. The book has had an immense sale in France. Price, neatly bound in cloth, 60 cts.; paper covers, 25 cts.; by the hundred, \$15.

A Companion to "Plain Talk." Short and Familiar Answers to the Objections most commonly urged against Religion. From the French of the Abbé de Segur, formerly Chaplain of the Military Prison of Paris. 18mo, cloth, 60 cts.; paper covers, 25 cts.; by the hundred, \$15.

The Trials of a Mind in its Progress to Catholicity, in letters to his old friends. By L. Silliman Ives, LL.D., late Protestant Bishop in North Carolina. This book has had, in the United States, the unprecedented sale of 60,000 copies. 12mo, cloth, 75 cts.

The Bible against Protestantism and for Catholicity. Evincing in a conference between a Catholic, a Protestant (Episcopalian), and a Presbyterian. By the Rt. Rev. Dr. Sheil, Roman Catholic Bishop. To which is added an Appendix proving that the Reformed Churches are destitute of any lawful ministry. Tenth edition, revised, corrected, and enlarged. Approved by the Rt. Rev. Bishop of Boston. 12mo, cloth, 75 cts.

Manning's Shortest Way to End Disputes About Religion. One of the best controversial works. 12mo, cloth, 75 cts.

Sure Way to find out the True Religion. A valuable book. 18mo, cloth, 25 cts.

Five Lectures on Catholicity and Protestantism. By T. L. Nicholls, M.D. Namely: Lecture 1, History of the Holy Catholic Church; Lecture 2, History of Protestantism; Lecture 3, Popular Objections to Catholicity; Lecture 4, The Doctrines and Evidences of the Holy Catholic Church; Lecture 5, The Catholic Church the Church of the Bible. The five bound in one volume. 18mo, cloth, 75 cts.

Grounds of the Catholic Doctrine. A very useful book. 18mo, cloth, 25 cts.

Willie Burke; or, The Irish Orphan in America. An interesting story by Mrs. Sadlier. 16mo, cloth, 50 cts.

The Works of Rev. Arthur O'Leary, O.S.F. Edited by a clergyman of Massachusetts. The whole forming a magnificent 8vo volume of 596 pages; bound in green fancy cloth, bevelled, at the low price of \$2.

Balls and Dancing Parties Condemned by the Scriptures, Holy Fathers, Holy Councils, and most renowned Theologians of the Church. Advice to young persons regarding them. From the French of Abbé Hulot. 40 cts.

The Freemasons. What they are, what they do, what they are aiming at. From the French of Mgr. Segur, author of "Plain Talk," etc., etc. 18mo, cloth, 60 cts.; paper covers, 25 cts.; paper covers, by the one hundred, \$15.

William Shakespeare. By His Eminence Cardinal Wiseman. 24mo, cloth, 50 cts.

School Histories of the United States.

BY

JOHN J. ANDERSON, A.M.,

Late Principal of Grammar School No. 31, New York City.

1. Anderson's Introductory School History of the United States.
Arranged on the Catechetical Plan. 192 pp.; price 60 cents.
2. Anderson's Common School History of the United States.
Arranged on the Catechetical Plan. 350 pp.; price \$1.
3. Anderson's Grammar School History of the United States.
This book contains a condensed narrative of the most interesting and essential facts, with copious questions at the bottom of each page. 260 pp.; price \$1 25.
4. Anderson's Pictorial School History of the United States.
Beautifully illustrated with about two hundred maps, portraits, vignettes, etc. 400 pp.; price \$1 60.

Characteristic Features of these Works.

1. They are written with great clearness and conciseness, and are brought down to the present time.
2. Unimportant matters are entirely omitted, or only incidentally alluded to.
3. The history and the geography are taught together.
4. They are fully supplied with Maps, and the location of every place mentioned is accurately shown.
5. All the proper names are accurately pronounced in connection with the names as they occur.
6. The plan affords frequent and systematic reviews by topics.
7. Two entirely different sets of questions run through the books.
8. They contain the Constitution of the United States, with full explanations and class-exercises, and the Declaration of Independence.

Read the following from the *New York Tablet*:

"These are by much the best school histories of the United States we have yet seen. They are clear, simple, and concise, ample in detail, yet sufficiently condensed to be easily committed to memory. A further recommendation for these histories is that they do not pander to the vulgar prejudices against Catholics and their religion as do most school histories published in the United States. The author simply states his facts without going out of his way to influence the reader's judgment, even where Catholics are concerned, a course widely different from that pursued by most Protestant writers. Even 'the Jesuits' are not held up to obloquy, or painted in those dark colors in which we are wont to see them represented by such writers as * * * whose history of the United States, by the way, is not fit for use in Catholic schools. We wish our friends at the head of schools and colleges to remember this. If they will take the trouble to examine * * * 's history carefully, and then compare it with these of Anderson's, they will easily perceive the superiority of the latter as a fair, candid statement of facts, which is all the historian ought to present—especially for young learners."

These books are used in the following well-known Catholic Institutions:

Academy of Notre Dame, Roxbury, Mass.; Mount St. Vincent Academy, New York; Academy of Notre Dame, Boston; Academy of Notre Dame, Lowell, Mass.; St. Joseph's Academy, New York; Notre Dame Academy, South Boston; St. Gabriel's Academy, New York; Notre Dame Academy, East Boston; St. Peter's Academy, New York; St. Vincent de Paul Institute, New York; St. Mary's School, Dayton, Ohio; and in numerous other Catholic Institutions in various parts of the country.

Appletons' Standard Text-Books.

We offer to Teachers Two Hundred Different Text-books, belonging to every branch of education, prepared by the best talent, experience, and scholarship, in the belief that they will be found UNSURPASSED in THEIR RESPECTIVE DEPARTMENTS. A Descriptive Catalogue of these works is mailed post-paid to all applying for it. Among our popular text-books are the following:—

Cornell's Geographies.

Primary, 90c. *Intermediate*, \$1 50. *Grammar School*, \$1 75. *High-School Geography*, \$1 25. *Atlas*, \$2 25. Distinguished by their unrivalled system of memorizing the contents of a map; their admirable grading; their judicious intermixture of Physical Geography; and their simple and practical system of Map-Drawing. The New Revised Editions, accompanied with magnificent maps, embody all recent geographical changes, and have only to be tried to make their superior adaptation to the wants of learners manifest to all.

Quackenbos's Arithmetics.

Primary, 30c. *Elementary*, 50c. *Practical*, \$1. *Mental*, 45c. *High-School, in preparation*. Clear; comprehensive; logically arranged; well graded; supplied with a great variety of examples; exact in their definitions; brief in their rules; condensed and searching in their analyses; up to the times; particularly thorough on all the branches of Mercantile Arithmetic; recognize the great financial changes of the last seven years; teach the methods actually used by business men; oblige the pupil to think in spite of himself; FIT THE LEARNER FOR THE COUNTING-ROOM AS NO OTHER SERIES does; the only books that a progressive teacher can afford to use; PERFECT text-books, WITH NO DEFECTS. Such are the features that are introducing them into schools everywhere.

Quackenbos's Histories.

Elementary History of the U. S., 75c. *Illustrated School History of the U. S.*, \$2. These works have been brought down to the summer of 1868. Fresh, accurate, and impartial, they are pronounced by the best teachers the best text-books on United States History. Their great distinguishing feature is the interest with which the narrative is invested. The style, clear and simple, yet dignified, forcible, and often eloquent, inspires the learner with a love of the subject and a taste for historical reading in general.

Quackenbos's Grammars.

First Book in Grammar, 50c. *An English Grammar*, \$1. These books make thorough grammarians with half the labor to the teacher required by any other system. They are philosophical, clear, consistent, practical, make the learning of Grammar easy, make the teaching of Grammar a positive pleasure. They are endorsed in the strongest terms by the Rev. Dr. Brann, Pres. Seton Hall College, S. Orange, N. J.; the Sisters of the Visitation, Parkersburgh, W. Va.; Brother Thomas, Director of St. John's Cathedral Schools, Cleveland; Sister Mary de Chantal, St. Joseph's Academy, Wheeling; and many other distinguished educators.

Quackenbos's Rhetoric, \$1 75.

Quackenbos's First Lessons in Composition, 90c.

These books have almost entirely superseded every other on the same subject, and are confessedly the most thorough and practical. *By the last Regents' Report it appears that 127 Academies of the State of New York use QUACKENBOS'S RHETORIC, while the number that use all other text-books on the subject is only 34.*

Quackenbos's Natural Philosophy, \$2.

Everywhere used, and everywhere commended as the most useful text-book on this important subject.

Harkness's Classical Series.

Latin Grammar, \$1 75. *Latin Reader*, \$1 50. *Introductory Latin Book*, \$1 25. *Latin Composition*, \$1 50. *First Greek Book*, \$1 75. Each volume of this series, as it has issued from the press, has been received with a degree of enthusiasm unsurpassed in our experience.

Specimen copies of any of the above works mailed post-paid to teachers and school officers, on receipt of one-half the retail price. Confident that they possess superior claims to consideration, we earnestly solicit progressive teachers to examine them. Favorable terms made for introduction.

"Alice Murray" has received from the entire Catholic Press very high praise. The following extract is from the "Baltimore Catholic Mirror":—

"We would like to see such books as this brought out by our publishers. Since we must have works of fiction, we should endeavor to encourage a New School of light literature in complete opposition to the poisonous stuff with which booksellers' shelves are filled nowadays. To effect this, we must have pure-minded writers, and courageous publishers, who will not pander to the depraved tastes of the day, but look to the moral worth of a book, before they calculate whether it will sell. 'Alice Murray' combines all the conditions necessary to success in this New School of American literature. It is a picture of American life—natural, interesting, and well written. It breathes throughout a thorough Catholic spirit. In other words, it realizes the great desideratum for the family library."

Logic for Young Ladies.

Translated from the French of Victor Doublet.

18mo, cloth..... \$0.60

FROM THE CATHOLIC WORLD.

"An excellent text-book: clear, simple, comprehensive. We would suggest, however, in order that its sphere of usefulness may not be even apparently circumscribed, that the title for the next edition read, not 'Logic for Young Ladies,' but 'Logic for the Young.'"

FROM THE BALTIMORE CATHOLIC MIRROR.

"We do not think there can be found a better treatise on logic, considering the scope which the author has allowed himself, than the one whose title heads this notice. Its didactic manner, makes it very suitable for young minds, and very desirable for academies and schools. We confess we do not see why the book should be called 'Logic for Young Ladies,' as it strikes us as a book which would be equally as serviceable to young inquirers of the opposite sex."

FROM THE CINCINNATI CATHOLIC TELEGRAPH.

"We hope to see this little volume introduced as a daily class-book into every one of our female academies, and into our colleges and seminaries for the use of the less-advanced classes. The mastery of the contents of this book by girls and boys (any one of fourteen years can master it) would send them out from our academies and colleges less parrots, and more reasoning beings."

KELLY, PIET & CO., PUBLISHERS Baltimore.

TO THE REVEREND CLERGY.

Acta Ex Iis Decerpta Quae Apud Sanctam Sedem Geruntur In Compendium Opportune Redacta Et Illustrata.

The undersigned, urged by several of the Rev Clergy, have commenced to republish in the U. S. the above mentioned Roman Periodical.

This important publication contains a digest of the most important cases on Moral Theology, Canon Law, the Liturgy, &c., daily brought before the various tribunals of Rome, from all parts of the world, with the reasons adduced on both sides and the decisions arrived at. To which is added an abstract of the principles settled by each decision, which in the very nature of the case, are at once the most practicable, and of difficult application.

Thus, the principles of Moral Theology, a science of difficult acquisition and of vast positive law, are placed more usefully before the guide of souls, and inculcated authoritatively by the high learning, research, and experience of Rome, than in any one book extant. Moreover, it is monthly, so that cases of practical utility are at once methodically arranged and answered.

This is of the greatest importance to the Clergy, now generally bound by diocesan and Provincial, as well as Plenary Councils to assist, under the guidance of the Archbishop or Bishop (as the case may be), at Theological Conferences.

These latter are almost absolutely necessary, and can hardly be properly understood without a knowledge, "*ex iis quae apud sanctam sedem geruntur.*"

These are the reasons why every Clergyman should have a copy of the work.

The republication here of the Work commences with the volume, beginning July, 1869, and issued monthly, in pamphlet form, of 64 pp., small 4to; being an exact reprint of the Roman Edition, as regards size, &c., so as to bind uniform with the volumes already published in Rome. In order to place this very useful and important work within the means of all the Clergy, it is issued at the very low price of \$3.50, U.S. Currency, per year, payable in advance, the publishers, therefore, confidently rely upon the aid and encouragement of the Reverend Clergy in their undertaking. Specimen copies sent gratis for examination.

Back Vols. of the ACTA supplied at \$5 each unbound.

We will supply the ACTA and CATHOLIC MIRROR for one year for \$6.00.

KELLY, PIET & CO., PUBLISHERS, Baltimore.

APPROBATION.

We cordially recommend to the Very Reverend and Reverend Clergy of our Jurisdiction the republication of the valuable Roman Monthly, the "ACTA EX IIS DECERPTA QUAE APUD SANCTAM SEDEM GERUNTUR," undertaken with our full approbation, by Messrs. Kelly, Piet & Co., of Baltimore.

M. J. SPALDING,

Archbishop of Baltimore.

Baltimore., June 18th, 1869.

They would direct special attention to their Prayer-Books, which are got up in every size and every variety of binding and of price, and are the most saleable books published.

School-Books have especially been objects of their attention, and their list includes the Metropolitan Series of Readers, certainly the finest in the market, the well-known Readers of the Christian Brothers, Spellers, Grammars, Elementary Histories, Table-Books, Arithmetics, &c., for which they confidently solicit the examination and approval of teachers, and all engaged in the work of Catholic Education.

For the convenience of persons ordering books for libraries, they have given, in addition to the Catalogue of their own publications, an alphabetical list of all the Catholic books published in America, and a list of Foreign books, which they keep constantly in stock.

Those who favor them with their orders can depend on promptness and strict attention to their commands.

Our position as the largest house in the Catholic trade makes our ability to do so unquestionable.

All articles remaining unsold, will be taken back at the close of the mission.

SPECIAL NOTICE.

Bookbinding, Manufacturing, PRINTING, &c.

MESSRS. D. & J. SADLIER & CO.

INVITE the attention of the Public to their great facilities in all departments of Book Manufacturing, including Printing, Binding, Illustration, &c. From their long experience, and complete assortment of material and implements required they can in all cases give complete satisfaction, promptly and in a style of superior workmanship.

They especially invite the attention of Clergymen, Heads of Religious Orders and Institutions, Societies, Libraries, and Canvassers to this point.

BOOKBINDING.

An experience of over thirty years enables them with excellent workmen and the newest styles of machinery to defy competition. They can do work better and cheaper than any other house in the country, and have an assortment of stamps, devices, emblems, &c., for Catholic work unequalled anywhere in the world.

Particular attention is given to the binding of serial works, works issued in parts, music for churches or families. In all cases directions are implicitly followed, and the best result obtained. Music and numbers worn at the back by long use cannot be bound so as to be as flexible as what is new and strong.

School, parish and private libraries bound either in strong substantial style or in more elaborate bindings, without unnecessary delay, and with great care.

In all cases, either in town or country, it is most advisable to address this house directly, and then send the books by express. It avoids all misunderstanding as to directions and prevents delay and risk of loss, for we have no agents and are responsible only where parties deal directly with us.

Price lists of our various styles of binding sent on application.

BOOK PRINTING.

Clergymen, Communities, &c., wishing to get up books for their own private use, or for general circulation will find it a great economy both in money, time and anxiety to place the matter in our hands. Long experience in book making enables us to produce books at a far lower cost, and corresponding more closely to the style adopted than any one undertaking it himself. In these cases we will produce the book on most favorable terms, employing the very best workmen and material, and manufacturing the edition at a trifling advance on the actual cost to us, which will be far below the usual trade prices.

JOB PRINTING.

Institutions, &c., wishing really artistic typographical work, on Catalogues, Circulars, Prospectuses, Cards, Sunday School Tickets, with or without engraved vignettes will find that the work will be done more understandingly and in a higher degree of perfection by us than when left to ordinary printing houses.

READY, EARLY IN 1870,
**SADLIER'S NEW, BEAUTIFUL, AND EXTREMELY
CORRECT EDITION.**

THE HOLY BIBLE,

Translated from the Latin Vulgate, diligently compared with the Hebrew
Greek, and other editions in divers languages;
Being the edition published by the English College at Rheims, A. D. 1582,
and at Douay, 1609, as revised and corrected in 1750, according to
the Clementine edition of the Scriptures, by the

RT. REV. RICHARD CHALLONER, *Bishop of Debra,*

WITH HIS ANNOTATIONS FOR CLEARING UP THE PRINCIPAL DIFFICULTIES OF
HOLY WRIT.

The publishers invite the attention of all to this edition of the Holy Scriptures, as one that in beauty and legibility of type, as well as convenience of form, surpasses any heretofore presented. And while no care has been spared to render the mechanical execution of the highest order, extraordinary care has been taken to have the text perfect. For the first time, Challoner's own edition of the Bible is really given. Some years since, Cardinal Wiseman remarked that the names Douay and Rheims, as applied to the current editions, are absolute misnomers. He expressed regret that Challoner's revision had not been respected and adhered to, till such time as, by a competent body of translators, an entirely new translation was made, and adopted by the proper authorities.

Acting on this suggestion the publishers have, by the authority of the Most Reverend Archbishop of New York, here given Bishop Challoner's text from his own edition of 1750, correcting merely typographical errors, and conforming in punctuation and the orthography of proper names, to the standard edition of the Vulgate of 1592.

They can therefore present this as a standard edition, free from the omissions and errors that have so long disfigured our Bibles, and as being what it claims to be—the original Douay and Rheims version of the Holy Scriptures, as revised by Bishop Challoner, and published by him in 1750, with his notes and parallel references, carefully compared with the best Latin editions.

It will form a beautiful post-quarto volume, and be as unique in size, excellence of typography and binding, as it is in its perfect accuracy.

The illustrations will be without exception the finest yet seen, consisting of fifteen chromo-lithographs, equal to the highest European specimens of the art, executed expressly after designs of Gustave Doré.

Besides this fine edition, there will be a pocket form, printed on very fine paper, and forming, from the careful arrangement of notes, the most legible and portable Catholic pocket Bible ever seen.

We feel confident that, for reference and daily use, this Bible will supersede every other, and claim that it will justly do so.

PRACTICAL ESSAYS

ON

Ventilation, Heating, Adaptability, and Acoustics.

By CHARLES SHOLL.

This work has been completed and designed by a professional Architect, of large experience both in Europe and America, who has of late years turned his attention exclusively to Ecclesiastical Architecture. When completed it will contain Ten complete Designs for cheap Churches, costing from \$2,600 to \$25,000, and respectively seating from 256 to 1,000 adults and a proportionate number of children. We can guarantee that each Church will be a correct type of the style adopted in every detail.

Designs E, I, and K are intended for congregations of ample means, as the MATERIAL adopted, and the GENERAL FINISH, is of an expensive character.

We have been called on repeatedly by numbers of the Right Rev'd Clergy to furnish a work of this description, and have been prevented up to this time by our inability to find a person qualified to do justice to so important a subject. By the admission of experienced architects, the work is now such as will stand the severest criticisms. We therefore address ourselves especially to this body to encourage our efforts in developing a true spirit of Catholic Architecture throughout the land.

These Designs have been submitted to the Most Rev'd Archbishops of New York and Halifax, and the Right Rev. Bishop of Charleston, the two latter of whom were in the city, who have kindly furnished us with the following

APPROBATIONS.

NEW YORK, March 1, 1869.

MESSRS. D. & J. SADLER & Co.,—Your project of publishing a series of Designs for Catholic Churches, accompanied by Working Plans and Specifications, prepared by a competent Architect, is one which meets my hearty approval, and which, when accomplished, will, I think, be very useful to the Rev. Clergy, especially in localities where such designs, combining taste with economy, cannot easily be procured. Wishing for your enterprise the ample patronage it merits, I remain, dear sirs, your most obedient servant,

JOHN, ARCHBISHOP OF NEW YORK.

HALIFAX, NOVA SCOTIA, April 12, 1869.

DEAR SIRs,—I have examined with deepest interest your first series of Designs for the construction of Catholic Churches of every size and order of Architecture, and it is simply true to say, that this work, so auspiciously commenced, has my heartiest approbation.

The want of such a practical book on Catholic Architecture for the last twenty years, in the remote dioceses and country parishes of the United States and elsewhere in America, has cost the Catholic population of this Continent, I am sure, many millions of dollars without any commensurate result.

In the present work, Bishops and Priests not having access to a first-class Architect, often within a circuit of many hundred miles, are always sure of finding a first-class Plan and all information regarding site, cost, details, etc., etc. Moreover, instead of having to depend on the ever limited resources of any single Architect, they will have, as it were, a boundless variety of Designs and most valuable suggestions to choose from, as will appear best suited to the wants and resources of each locality, and the true character and magnitude of the work on hand. With this expression of my humble views on this most important and useful work, I am, dear sir, very respectfully yours,

THOMAS L. CONNOLLY, ARCHBISHOP OF HALIFAX.

D. & J. SADLER & Co.

MESSRS. D. & J. SADLER,—*Gentlemen*: It is with exceeding pleasure that I learn you have undertaken the publication of a series of designs for Churches, to be erected at moderate cost; and still further, that to those detailed designs and drawings, you will unite clear and complete specifications, all drawn up by a skillful and experienced Architect. Such a work will be truly a benefit, as by it, miscalculations, errors, omissions, etc., which vex the soul of whoever undertakes the erection of a Church, may in great measure be avoided. P. S.—Please send me four copies as soon as ready. Respectfully, your obedient servant,

P. N. LYNCH, BISHOP OF CHARLESTON, S. C.

BISHOP'S HOUSE, NEWARK, June 10, 1869.

Having examined the Series of Architectural Designs and Plans for Churches, about to be published by the Messrs. SADLER, I agree in the above approval and recommendation. I remain, very truly yours,

J. ROOSEVELT BAYLEY, BISHOP OF NEWARK.

ST. PAUL, MINN., Jan. 25, 1869.

DEAR SIRs,—I am rejoiced to hear of your project, viz.: the issuing "Ten Working Designs for Catholic Churches," containing details, specifications, figured dimensions, etc., and that you have found a man equal to the task. I have no doubt as to your being fully remunerated for your labor and outlay. Let me express the hope that the Architect will have an eye to the requirements of the taste and style of our times and country. You may put me down as subscriber to the amount of four copies. Faithfully yours,

THOMAS, BISHOP OF ST. PAUL.

D. & J. SADLER & Co., New York.

Trifling modifications will enable any other Christian denomination to use these designs, and adapt them to their different form of worship.

The number printed must depend on the extent of subscriptions. The edition will be strictly limited to a few copies beyond the list; it will be impossible to obtain it hereafter except at an advanced rate. Subscribers should therefore send in their names immediately.

The Rt. Rev. Bishops and Clergy who feel the want of this long-desired book, will therefore be kind enough to correspond with us at once, to avoid disappointments which all will regret.

Although they have labored for thirty years to increase the libraries of Catholic Churches and families with valuable works, the publishers feel convinced that they have never offered a book that will prove of greater service to both Clergy and people, and consequently to the Church at large.

The work is large folio, containing 45 plates, 75 pages of letter-press, and is finished in the best style, on toned paper, and partially illuminated. Folio size, 20 x 14. Price \$15. Sent by Mail or Express on receipt of price. Half Mor. beveled and gilt edges \$20.

LECTURES ON IRISH SUBJECTS.

By HENRY GILES.

Comprising the following Lectures: IRISH CHARACTER, MENTAL AND MORAL. SPIRIT OF IRISH HISTORY. IRELAND AND THE IRISH. JOHN PHILPOT CURRAN. IRISH SOCIAL CHARACTER. IRISH-BORN CITIZENS. IRISH EMIGRATION. DANIEL O'CONNELL. OLIVER GOLDSMITH. GERALD GRIFFIN. DR. DOYLE.

This is a handsomely printed work, containing the cream of the varied learning and brilliant thoughts of the lamented Henry Giles. If not the most popular, Mr. Giles was unquestionably one of the most sparkling and versatile of the grand galaxy of literati which Ireland gave to America. There were few subjects which his philosophical mind did not fathom and his brilliant fancy illuminate and make attractive. Few of our public men better understood the light and shadow of Irish character, or could touch off its idiosyncracies with a readier pen. His style is Irish to the core; ready wit, quiet humor, glowing imagination, graceful fancy, subtle reasoning, and philosophical thought. Whether he treats of O'Connell or Goldsmith, Curran or Dr. Doyle, Gerald Griffin or Irish Character, we are equally edified and pleased, and reluctantly push the tempting viands from us, hoping that we may soon have an opportunity of returning to the feast.—*San Francisco Daily Monitor.*

LECTURES AND ESSAYS. By Henry Giles. (New York: D. & J. Sadlier & Co.) The popular veteran lecturer, Giles, has here collected the discourses which from time to time drew and gratified so many of his audiences all over the country. They were chiefly addressed to Irish audiences, who warmly appreciated their singular ability of wit, humor, and eloquence—his sketches of Daniel O'Connell, John Philpot Curran, Oliver Goldsmith, Gerald Griffin, &c., ranking among the most attractive essays of the kind, and exciting an interest which does not grow out of date with the lapse of years. This handsome volume contains a great amount of popular entertainment and information, and would be a good book in any library. It has a portrait of the author.—*New York Daily Times.*

This is, perhaps, the best work, as regards typographical merit, ever issued by the Sadlier firm. It exhibits a faithful likeness of Henry Giles. Mr. Giles was, undoubtedly, THE PRINCE OF LECTURERS. None ever had a quicker or clearer conception of the subject chosen to lecture upon. Mr. Giles has the gift of comprehension; he takes hold of the salient points, either in history or in the character of a man, and says all that can be said. Indeed, there is no appeal from Henry Giles' judgment in the topics he discusses. For, after one has listened to, or has read one of his lectures, he must needs feel, not carried away, but thoroughly convinced of the truth of what the lecturer has undertaken to prove. Mr. G., more than any other, could hold an audience spell-bound. What with a clear perspicuity of intellect, an ardent soul, and an impassioned delivery, he was unrivalled. Alas! we shall hear him, perhaps, no more. He was the student and the scholar—and great at that. These LECTURES AND ESSAYS will be read and appreciated as long as there will remain a spark of love for the best written English works. What a pity that such a man should pass away uninspired by Catholic consolation!—*Boston Pilot.*

This work, which is now being canvassed for in this city by James P. Flynn, should command a large sale among that portion of the inhabitants of our city whom it particularly interests. The Lectures and Essays here given to the public are among the finest efforts of the genius of Henry Giles. None of the contents of this volume have ever before been published in book form. The many thousands who have had the privilege of hearing Mr. Giles discourse on "Spirit of Irish History," "Irish Wit and Humor," "Irish Character, Mental and Moral," "Ireland and the Irish," "Irish-born Citizens," "Irish Emigration," "Daniel O'Connell," or "John Philpot Curran," will be glad of the opportunity of having those noble lectures by them for frequent perusal. So, too, with the Essays on "Doctor Doyle," "Oliver Goldsmith," and "Wit and Humor in Scotland," written for a Boston periodical; many will be pleased to have them in a more permanent form.—*Providence (R. I.) Herald.*

A Book for every Reader of Irish History.

THE FATE AND FORTUNES
OF
O'NEILL AND O'DONNEL,
EARLS OF TYRONE AND TYRCONNEL;

Their Flight from Ireland; their Vicissitudes abroad; and their Death in Exile.

By THE REV. C. P. MEEHAN, M.R.I.A.

ILLUSTRATED WITH FOUR SPLENDID STEEL ENGRAVINGS

1 vol. 12mo, cloth, extra, \$2.50.

This work forms a noble addition to Irish literature, and has been received with unusual encomiums by the European Press. Father Meehan has brought to his task all the fervent patriotism and antiquarian research which his great theme demanded, and has given to the public a work without which no library can be complete. He adds to the story of Tyrone and Tyrconnel all the charms which genius, research and composition can give to this page of Irish history, and his book is one which every student of Irish literature will love to linger over. This edition is illustrated with four elegant Engravings on steel, of Hugh O'Neill, O'Sullivan Beare, most Rev. Peter Lombard, Archbishop of Armagh, and Bishop Florence Conry, taken from the original Portraits in the galleries of Italy and Spain.

Extracts from Opinions of the Press.

"We do not know which is the most to be admired in this work, the amount of information which has been put together from a variety of hidden sources, or the excellent narrative with which it is woven into a history. To throw State paper documents and crabbed old letters into order is not a very difficult matter, but to give them the freshness of a tale, the charm of a romance, and the pathos of the drama, requires no little talent. We freely accord the Rev. Author the praise of having done this, and having composed a book of such unpromising materials which carries the reader along with him to the last page. The "Fate and Fortunes" is not merely the record of the dim setting of the sun of Irish freedom, it is not merely a faithful account of the last days of two of her bravest and most unfortunate sons, it is not merely a farewell account of the last of the Irish chieftains; but it is a circumstantial history which maps out the events preceding and accompanying the plantation of Ulster, with a grace and liveliness which can be given only by the most exalted details of the social and political state of Ireland at that period."—*London Weekly Register.*

"The Rev. Mr. Meehan is no mere compiler of books. In the language in which Curran portrayed the duties of the narrator of facts and men long past, he must discharge equally the office of the historian and the witness; and, whilst he takes up the task of the one and continues it, the Rev. Mr. Meehan, with impartial justice, and upon unimpeachable evidence, appears in the character of the other. With a feeling and sentiment in his work that shows his self-denying interest for its success, the Rev. Mr. Meehan speaks of this great work in his preface as a "page of Irish history." We dispute the correctness of such a term. This book is more. It is a volume in Irish history, and a volume not to be reached by any less laborious, any less able, any less enthusiastic lover of the glorious illustrations of Irish history than the Rev. Mr. Meehan."—*Dublin Irishman.*

PRICE TWENTY-FIVE CENTS.

Many of the Engravings are made from Photographs obtained from various persons, among the rest THE MARQUIS OF KILDARE.

We have original Portraits of Hugh O'Neil; O'Sullivan Bear; Peter Lombard, Archbishop of Armagh; Francis Conry, Archbishop of Tuam; Archbishop Plunket; St. Patrick; Sarsfield; King James and King William, (group); Napper Tandy, Wolfe Tone and Lord Edward Fitzgerald, (group); Thomas Addis Emmet, Robert Emmet and Dr. MacNeven, (group); Samuel Neilson and John and Henry Sheares, (group); Curran, Grattan and Flood, (group); Gerald IX, Earl of Kildare, etc., etc.

In addition to the Portraits, we have the following subjects engraved: King Brian killed by the Viking; Dermot McMurrough in the English Camp; St. Patrick going to Tara; Massacre at Drogheda; Marriage of Eva and Strongbow; Views of Cashel, Limerick and the Shannon; St. Canice, Kilkenny; Carrickfergus Castle; and a number of others.

THE WANT OF A HISTORY OF IRELAND, down to the present time, produced in a style of typography and illustration in keeping with the advanced taste of the day, and of such literary and national ability as to stamp it as a work of enduring value, has long been felt. In the work now offered, the publishers feel that under every aspect they will meet the requirements of the case.

Among the various Histories of Ireland, there is none that so justly commands the attention of the Irish race as that originally written in French by the Abbé MacGeoghegan, a chaplain in the Irish Brigade, intimately connected with the officers, or the immediate descendants of officers, who fought at Limerick and Aughrim. Thoroughly versed in the ancient annals of his unhappy country, and almost a witness of much of the stirring period that closed the seventeenth century, he presented to the Irish in France, as well as the polished natives of that country, a true picture of the History of the Isle of Saints.

Full of patriotic feeling, careful in research, gifted with eloquence and narrative talent of a high order, he wrote his works with the graces of style necessary in that day to command attention among readers in France, and which make it, when translated, so acceptable to all.

These qualities render his work far superior to any that preceded or have followed it. Dullness of style on the one hand, unfaithfulness to Ireland on the other, render some of the published histories utterly valueless. In MacGeoghegan, all necessary qualities were combined, and it is not surprising that O'Connell, Davis, Archbishop MacHale, and, indeed, all prominent men in Ireland, have attested its superiority and excellence. We now give it thoroughly and carefully revised.

Thomas Davis, in his essay on Irish history, speaks of it as follows: "Well, as to this National History—L' Abbé MacGeoghegan published a History of Ireland, in 3 vols., quarto, dedicated to the Irish Brigade. Writing in France, he was free from the English censorship: writing for 'The Brigade,' he avoided the impudence of Huguenot historians. The sneers of the deist Voltaire, and the lies of the Catholic Cambrensis, receive a sharp chastisement in his preface, and a full answer in his text. He was a man of the most varied acquirements and an elegant writer. More full references, and the correction of a few errors of detail, would render his book more satisfactory to the professor of history, but for the student it is the best in the world. He is graphic, easy and Irish. He is not a bigot, but apparently a genuine Catholic. His information as to the number of troops, and other facts of our Irish battles, is superior to any other general historian's; and they who know it well need not blush, as most Irishmen must now, at their ignorance of Irish history."

The *Dublin Review* says: "Every person anxious for the diffusion of useful historical knowledge among the Irish people, will rejoice that a beautiful edition of Abbé MacGeoghegan's History of Ireland has obtained a success almost unprecedented in the annals of Dublin publishing. The Abbé, as our readers know, was Chaplain to the Irish Brigade, and for that very reason had the spirit, as well as the means, of writing a good popular history of his native land. No library is perfect without Abbé MacGeoghegan."

MacGeoghegan's work stops at the Fall of Limerick. To give the important history of the last and present century, required also an able hand. The History of Ireland, from the Fall of Limerick to our day, has been written by one who has long been himself an historic character, and whose judgment, research and ability as a writer have ever commanded respect. In itself, that history, from the pen of John Mitchel, will be the most valuable contribution to Irish history ever issued in this country. certainly no more fitting continuation could be found for the work of MacGeoghegan.

This complete History of Ireland will be produced by the publishers in a style suited to the intrinsic worth of the volume. No expense will be spared to render it a most attractive work. It is printed from new type, each page encircled by an emblematic border, and it will be illustrated by steel engravings of excellence. These illustrations will be of the highest merit and authenticity, and will give, for the first time, portraits of many of Ireland's greatest worthies, such as Hugh O'Neil, Gerald, Earl of Kildare, Father Luke Wadding, etc., from original portraits preserved at Rome, or in the seats of the Irish nobility, and obtained by us with great difficulty and without regard to expense.

CONDITIONS OF THE WORK.

THE History of Ireland, by MacGeoghegan and Mitchel, will be issued in 40 numbers, of 32 pages each, with an emblematic border to the page, designed by Maclise.

Each number will contain a fine steel plate; and an illuminated title page, executed in the highest style of chromo-lithographic art, will be given with the first number.

No subscription will be received except for the entire work, and that will be completed in 40 numbers, without any delay or alteration in these conditions.

A TIMELY AND DEEPLY INTERESTING VOLUME

—...—
JUST PUBLISHED,

THE IRISH IN AMERICA.

BY JOHN FRANCIS MAGUIRE, M.P. FOR CORK,

AUTHOR OF "ROME AND ITS RULER," "LIFE OF FATHER MATHEW," ETC.

"This excellent work has just been published simultaneously in London and New York. Being the result of close observation on the part of its Author during his recent American tour, it can be relied upon as a just and impartial view of the condition, prospects and position of the Irish race in America. It is written with all the terseness and vigor which characterize Mr. Maguire's works, and will command a very large sale. By the English and Irish Press it has been received with universal commendation.

One Volume, cloth, extra, 658 pp., \$2.50.

Extracts from Opinions of the Press.

"The civil war, whatever else it did, improved to a very remarkable extent the position of the Irish in America: that is to say, of the Catholic Irish. Mr. Maguire does not overrate this. In the American mind the Irish approved themselves worthy and valuable citizens in an American cause, and not merely as against England. An opportunity was gained for rising into public notice and esteem without the intervention of politicians, and the result was that Catholics and Irishmen did succeed in placing themselves in prominent positions as American citizens, and in vanquishing a great deal of the remaining prejudice against them. Mr. Maguire knows how to make a telling book, and although his enthusiasm carries him sometimes beyond sober limits, it unconsciously proves the main argument of his work; for clearly he would not have grown enthusiastic over those who had shamed his country."—*London Chronicle*.

"What we recommend every one is to procure the work and read it for himself, and those persons who find it expensive ought to club together and purchase a copy between them, taking in turns to read it. It is a work which cannot be praised too highly at the present crisis, and which no Catholic, no Irishman, and no politician, whatever his creed may be, ought to be without. Mr. Maguire has a right to be proud of his book."—*London Weekly Register*.

"He appears to have investigated his subject with unusual thoroughness, if not with absolute impartiality; and the result is a work of very great interest and value, different from any other book of travels in America that we remember to have read. Its fluency and wealth of words are extraordinary. It is very pleasantly written, and abounds in information which is peculiarly valuable at the present moment. One of the most interesting parts of Mr. Maguire's volume is his picture of the self-devotion and energy of the Catholic Priests in supplying the wants of their co-religionists, and laboring to keep them within the fold."—*Pall Mall Gazette*.

"The testimony of the writer is the more valuable as to the power and influence of the Irish in America, because he is known as an earnest, able thinker, who never allows imagination to lend a false color to facts which come under his observation, and who never arrives at a conclusion without looking at both sides of the question with rigid impartiality. * * * * We hope to give our readers some examples of the value and importance of this truly valuable book."—*Dublin Irishman*.

More than one motive influenced Mr. Maguire to visit America, as he tells us in his preface. He wanted to see what the Irish were doing there—to understand the real value of labor as applied to the cultivation of the soil and development of the country, even when separated from capital. The result of his impressions he has given freely and without disguise."—*London Universe*.

"As Mr. Maguire employed a good deal of care and time to inform himself on his special subject, and made it a point to have access to those who could best inform him, his work cannot fail to be full of interesting facts and anecdotes."—*N. Y. Irish Citizen*.

THE CATHOLIC FAMILY BIBLE; with Notes by Bishop Challoner. To be completed in forty parts, with a fine steel engraving in each. This edition is printed on fine sized and calendered paper, and the type is surrounded by a very handsome engraved border. It is illustrated with forty fine steel engravings, and a very beautiful colored title. This is the cheapest and handsomest edition of the Douay Bible published.

BUTLER'S LIVES OF THE SAINTS. Each part illustrated with a fine steel engraving. This new edition is printed in quarto form, uniform with the "Life of the Blessed Virgin." The letter-press is surrounded by a very elegant engraved border, which adds much to the appearance of the work. Persons who wish to obtain "Butler's Lives of the Saints," as the author left it, must be sure that they get SADLER'S EDITION. We mention this, because there is an edition, published in numbers, by a Prot stant firm in this city, in which the notes, and some of the lives, have been left out. The author's notes in our edition form about one-fifth of the entire work, and it is taking a most unwarrantable liberty with the work to leave them out. Our edition is complete. The notes are the most instructive portion of the work. For instance: there is one note in our edition, "On the Writings of St. John Chrysostom," which occupies TWENTY-THREE PAGES OF SMALL TYPE, and all that is left out of the mutilated edition.

Before subscribing for these works, be sure you look for the name of D & J Sadler as publishers.

The Golden Manual

The above named comprehensive Travel-Book, compiled by the English
 Statesman, adapted for use in this country. It is recognized as the
 Manual ever issued, and no traveller has ever returned without it.
 The addition to this edition alone comprises 300 pages.

A WORD ON PRAYER-BOOKS.

Catholic Prayer-Books are now various and abundant, but the faithful in selecting a new Manual of Devotion should be guided by the same rules that guide prudent purchasers generally.

Without wishing to disparage any other house, we can safely affirm that ours is the oldest and largest in the United States. Our books are all prepared under the sanction of the Archbishop of New York, are got up in the very best style, no false economy leading us to offer inferior or careless printing or manufacture to the public.

The compilation and arrangement is in every case the work of Clergymen of acknowledged learning, piety, and zeal, and the various Manuals are adapted to reach the spiritual wants, as well as the means and inclination of each.

To secure really good Prayer-Books, careful in their selections, beautiful in typographical execution, we can, without any danger of contradiction, say—"In all cases ask for Sadlier's Prayer-Books."

We publish books of every size, from the "Golden Manual," the large, full Prayer-Book that has no rival, down to the "Gems of Paradise," a charming little vest-pocket Prayer-Book, clear in type, yet containing not only the ordinary daily devotions, but also the Epistles and Gospels.

They can be had, too, in every variety of binding, from the plain, durable cloth, suited for distribution in schools, &c., to the most elegant velvet and morocco, that elicits all the art of the accomplished binder. Indeed, in this department, our own experience as practical binders has produced results, which for beauty and appropriate ornament, are unequaled.

Our books are not hastily got up; our extensive trade requires a large stock, and we manufacture them constantly and carefully. We have, therefore, always on hand at least One Hundred Thousand Prayer-Books, so that none are sent out till actually well dried and fit for use.

MISSALE ROMANUM.

MISSALE ROMANUM, EX DECRETO SACROSANCTI CONCILII TRIDENTINI
RESTITUTUM, S. PII QUINTI, PONTIFICIIS MAXIMI, JUSSU
EDITUM—INITIALIBUS LITERIS ET IMAGINIBUS
SPLENDISSIMIS EXORNATUM
VINDOBONO.

The following notice of this Missal was written by a Clergyman, and published in the *Tablet*:

"This edition of the Missal has been published at Vienna, London and Paris, at a considerable expense. It is one of the most splendid works of the present age. The richness of its illustrations, and the beauty of its initials, remind us of the illuminated missals of the mediæval times. In short nothing has been produced equal to it in modern days. Thirty years ago, no person would believe that typography would make such progress as to have a work like this issue from the press. But modern science has conquered all difficulties, and the knowledge of colors has created a revolution in the art of printing. Formerly a rubricated book was looked upon as a wonder. But now the brilliancy of the page equals the hue of the richest painting. We are glad to find that the chromatic art, which has been applied in France to ordinary works, has at length been introduced into devotional works in Germany.

"Messrs. D. & J. Sadlier have procured a number of these Missals from Europe at a considerable expense, which they have bound in a superb manner. If the text of the Missal is a credit to Europe, the binding is an honor to America. Every church, especially in our large cities, should be provided with a copy of this work for the great festivals.

"This edition of the Missal has the approbation of the Cardinals and Archbishops of Vienna, Hungary and Westminster, and contains all the latest Masses."

The works of the Brothers Banim are now being republished in Dublin, under the immediate supervision of Michael Banim, the surviving member of the "O'Hara Family," whose "Tales" so long delighted the British and Irish public. It is to be hoped that the American public will hail with satisfaction the opportunity now offered them, for the first time, of obtaining the complete works of John and Michael Banim, who, with the exception of Gerald Griffin, are the best and most thoroughly national novelists whom Ireland has yet produced.

This will be the only complete and uniform edition of Banim's works ever published.

*(Second Edition.)***Marshall's Great Work: the Contrast between Protestant and Catholic Missions.****CHRISTIAN MISSIONS: THEIR AGENTS AND THEIR RESULTS.****By T. W. M. MARSHALL.**

MR. MARSHALL, the author of the foregoing work, is an eminent Catholic gentleman of England, formerly a clergyman of the Established Church. As such, he was favorably known as the author of the best work on Episcopacy that has been written by any Protestant. His *History of Missions* is a work of extensive research and profound interest. The subject is one of great importance, including not only Catholic, but Protestant missions; a complete history of which is given as carried on in modern times in China, India, Ceylon, Antipodes, Oceanica, Africa, Levant, Syria, and Armenia, and North and South America. In treating the latter branch of his subject, namely, Protestant Missions, Mr. Marshall has cited an immense number of Protestant authorities, all concurring to prove with irresistible force the utter impotency of Protestant efforts to Christianize the heathen. The striking contrast exhibited by Catholic missions is clearly and eloquently portrayed. The work is one of the most valuable contributions to Catholic literature that has been given to the press in recent times. Its extensive circulation cannot fail to do great good, and it is therefore respectfully recommended by the American publishers to the patronage of the clergy and laity.

The present is being printed from advanced sheets of the second edition, for which we made arrangements with the author. It has undergone a thorough revision, and over two hundred new authorities have been quoted by the author, making the work as complete as possible.

As the work cost several thousand dollars to get out, the publishers trust that all who feel an interest in the circulation of good books will not only purchase it themselves, but will also induce their friends and neighbors to do likewise.

TERMS.—The work is published in two 8vo volumes, of nearly 700 pages each, cloth extra, \$5; half morocco, \$7.

WE have been honored by commendatory letters from several of our Archbishops and Bishops in relation to this great work. Their opinion of its merits, and the degree of consideration to which it is entitled, will be best understood from their own words:

Messrs. Sadlier & Co.:

ALBANY, March 22, 1864.

DEAR SIRS: I have to thank you very sincerely for the handsome copy which you have sent me of Marshall's "Christian Missions." The work is a most admirable one, fully deserving of all the high encomiums which have already been passed upon it. The important subject of which it treats has never before been discussed in such a thorough and masterly manner. We ought all to feel greatly obliged to you for placing this valuable book within our reach, by the publication of an American edition. It is to be hoped that your enterprise will be rewarded by a liberal and wide-spread patronage.

With best wishes and regards, I remain

Your most obedient servant in Christ,

✠ JOHN, Bishop of Albany,
(Now Archbishop of New-York.)

The contents of its columns are of the most varied and unexceptional character, and the best Catholic talent in the country is employed upon its editorial columns.

A regular corps of European correspondents—in London, Dublin, and Paris—will contribute weekly letters. Also occasional correspondence from all parts of the United States and Canada. Special reports of Religious ceremonies. Latest Catholic Intelligence from all parts of the world.

The Latest European News will appear each Week.

A CHAPTER OF A NEW STORY WILL APPEAR IN EVERY NUMBER OF THE TABLET, which makes it of special interest to the Family Circle.

We have very great pleasure in directing attention to the following card of approbation from our Most Reverend Archbishop. It is consoling and encouraging to us to know that our humble efforts in the cause of religion and morality have met the approval of the eminent prelate who so worthily fills the Metropolitan See of New York.

I am happy to state, concerning the NEW-YORK TABLET, that I am pleased with its Catholic tone and spirit, and I feel persuaded that its present conductors will spare no pains to make it, in the future as in the past, a useful auxiliary to the Catholic cause, as well as a safe and instructive "Family Journal." As such I think it deserving of a liberal patronage on the part both of clergy and laity.

Given at New York, this 4th day of November, 1868.

ORGANS AND MELODEONS.

We have manufactured Melodeons and Organs twenty-two years, and will not risk our well-earned reputation by making *cheap instruments*.

We *have not* made a great reduction in prices, and cannot until a reduction in the price of labor and material will warrant us in doing so. Organs are advertised at \$50, Gold Watches at \$15, etc., etc. *Sensible people* can judge of their value.

Instruments of our own make (twenty years old) are now valued by their owners as highly as the day they were bought, and it is our intention to sustain our old reputation.

MESSRS. M. J. PAILLARD & Co.:

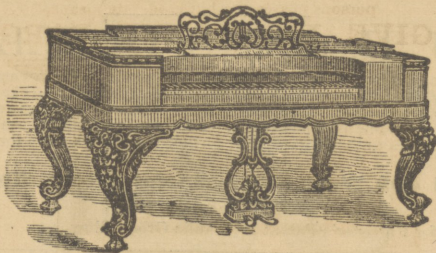

GENTLEMEN: After a close investigation and comparison, we have acquired an experimental knowledge of the great superiority of the Schreiber instrument, giving us full conviction that, while we congratulate you on your success, the musical faculty has good reason to rejoice in being able to render better music with greater facility, owing to the harmony consequent on the unity of direction. The members of the band are enraptured with the instruments, and, when on parade, I have, at different distances, listened with the utmost delight to the vast improvement in their performance. I feel great pleasure in stating these facts, and feel much indebted to the inventor of instruments in every way so perfect. Yours, etc.,

EDWARD J. O'REILLEY.

P.S.—I have used instruments of every other make, and therefore speak from exact knowledge on the subject.

TROY BELL FOUNDRY.

CHURCH BELLS. CHIMES.

PEALS OF BELLS.

Established 1852.

Jones & Co., Proprietors,

Cor. Adams and First Streets, Troy, N. Y.,

Continue to manufacture those Bells (which have made Troy celebrated throughout the world, and which have been made at this establishment during the past seventeen years), of all sizes, for

Churches, Factories, Academies, Steamboats, Plantations, Locomotives, Etc.

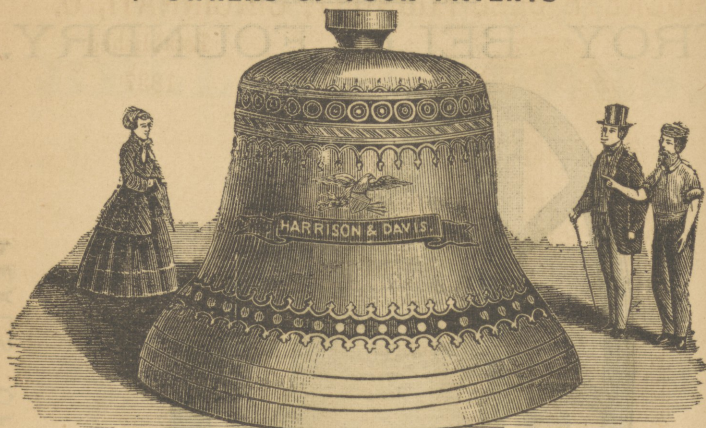

Made of genuine Bell-metal (Copper and Tin), and hung with Hildreth's Rotary Yoke, the best and most durable ever used. Wheel, Frame, Tolling Hammer, Wrench, etc., all complete. Thirty First Premiums—Gold, Silver, and Bronze Medals—and over one thousand unsolicited letters of commendation have been received. Written guaranty with every Bell, to prove satisfactory or be returned and exchanged. Illustrated Catalogues sent free on application to

JONES & CO., Troy, N. Y.

NOTE.—The city of Troy having become celebrated for its Bells has led some manufacturers at other places to claim that they made their reputation. This, though entirely untrue, we accept as a most emphatic endorsement of our Bells by our competitors. *There is no other Bell Foundry at Troy or in the same county but ours;* and while we are glad to please our rivals by our superior work, we do not know why any reference should be made to it by them, unless to gain some advantage from the superiority of our Bells.

BELLS.

OWNERS OF FOUR PATENTS

AND SIX COPYRIGHTS.

HARRISON & DAVIS, Founders, 35 and 37 Park Place, New York.

Bells for Churches, Academies, School-houses, etc., made from the old-fashioned Bell-metal (Pure Copper and Tin), and fully warranted for five years.

We have the only Rotary Mountings for Church Bells in existence.

Any one in want of Bells will find it to their advantage to send for our Price List and Illustrated Catalogue before purchasing elsewhere.

We have never had one of our Bells broken or returned, neither has there ever been one of our customers dissatisfied. This is more than can be said by any other Bell Founders. We ask your attention to the following letters:

Perth Amboy, N. J., May 20, 1869.

Messrs. Harrison & Davis—Dear Sirs: The bell we purchased of you for the Methodist Episcopal Church in this city, we are happy to say, gives entire satisfaction. All are pleased with its clear, deep, and pleasant tone, and we feel entirely safe in recommending any and all who may need bells either for church or other purposes to your establishment, believing, as we do, that they are made of the best material, and that your patent rotary movement greatly enhances their value.

REV. J. N. VANSANT, President Board of Trustees.

JOHN G. GARRETSON and J. B. FORD, Committee.

P.S.—The bell gets better every day. It has been heard from ten to twelve miles.

J. B. FORD.

FAR ROCKAWAY, July 6, 1869.

To Messrs. Harrison & Davis, Bell Founders, N. Y.—We should have answered your letter sooner, but on account of absence from home for some weeks it has been delayed till the present. The bell we purchased from you last December for the M. E. Church, Far Rockaway, is beautifully finished, and has a rich musical tone and gives general satisfaction. After a trial of more than six months, it is pronounced by competent judges to be the best bell in this section, that is, for its weight.

CALVIN WARNER. C. P. CORNER, Pastor of M. E. Church, Far Rockaway, L. I.

OSWEGO FALLS, N. Y., August 10, 1869.

Messrs. Harrison & Davis, New York—Gents: The bell you have put upon our mill suits me in every respect, being clear, well sounding, and apparently very strong. I admire the Rotary Motion very much. Altogether, I can give your bell my strongest recommendation, so far as I have yet tested it. I would not have a single alteration made in either the sound of the bell or working of the mountings.

I remain yours respectfully,

NATHAN HODGSON.

P.S.—I am much pleased with the mechanism of the bell; the rotary motion is very effective and durable.

N. H.

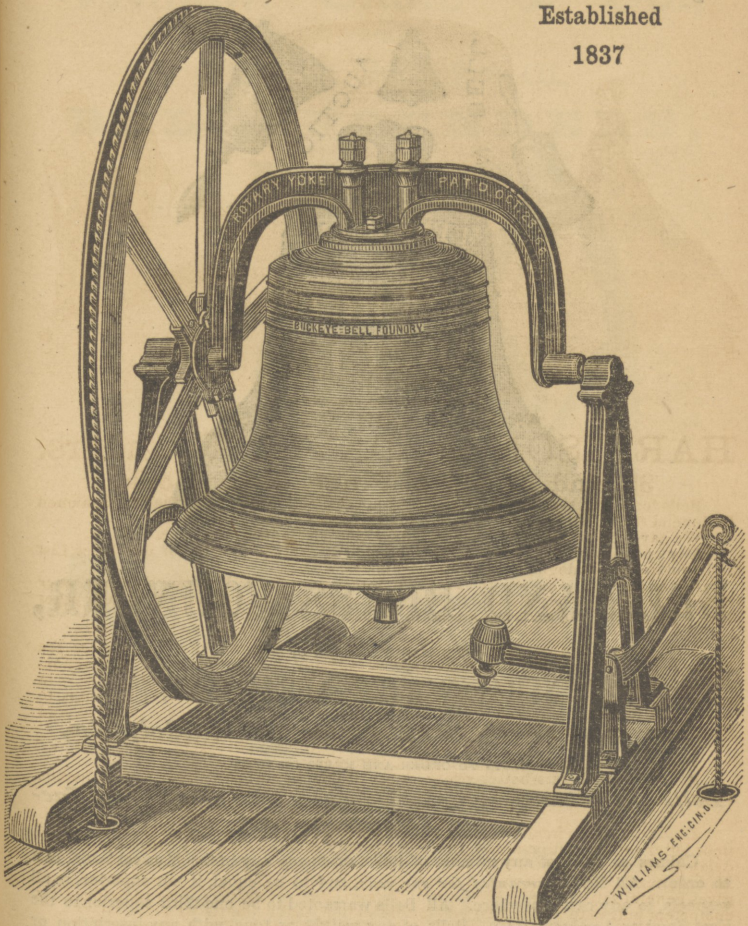

We place great confidence in the opinion of Mr. Hodgson, from the fact that he is one of the first mechanical engineers in this country. He was brought from England to this country for the purpose of superintending the construction, erection, and working of the machinery in the woollen mills belonging to Hoyt, Spragues & Co., at Oswego Falls, N. Y. We understand they have over two thousand tons of machinery now in use, all subject to the direction of Mr. Hodgson.

STEEL COMPOSITION BELLS.

There are many churches making shift to do without bells because they can't afford to buy a bronze bell, and have no confidence in the so-called amalgam bells.

To such we offer our Steel Composition Bells. They are the result of long experience in the manufacture of Bells, are entirely different from the so-called amalgam or cast-iron bells, and of a composition used only by ourselves. They can be heard as far as Bronze Bells of the same size, are equally durable, and are warranted against breakage for the same time, *i. e.*, one year. The mountings are of an improved pattern that prevents jarring, and enables the bell to be rotated at pleasure, thus pos-

sessing the advantages of patent rotary yoke.

Our claim that they rival in purity and volume of tone the bronze bell is fully sustained by letters received from churches using them, some of which are given in our descriptive circular.

These bells cost on an average about one-third as much as the bronze bells, and are within reach of the feeblest churches. Our Price List and Circular, giving particulars, will be sent on application.

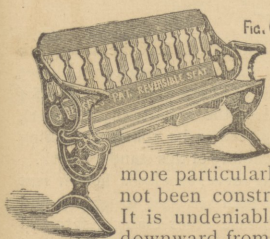

FIG. 6. Improved Reversible-Back Settees.
Pews of any Pattern Made to Order.

Settees with reversible backs, enabling the occupants to face either way, are not uncommon. They are known in the lecture-room and in the Sunday-school, and more particularly in the railway car. But hitherto they have not been constructed with adjustable seats as well as backs. It is undeniable that a seat, to be comfortable, must pitch downward from the front edge. Comfort and physiological considerations alike demand this.

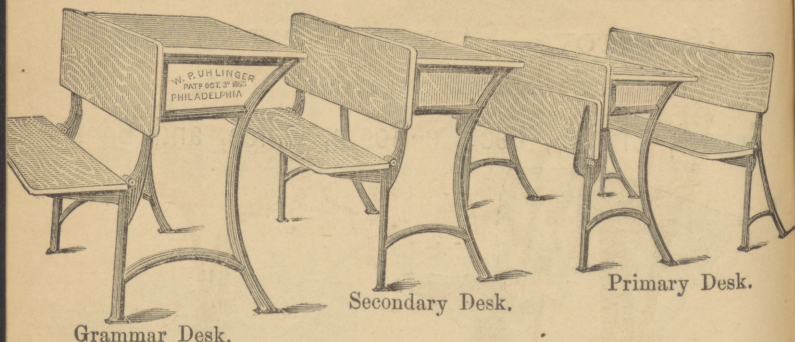

Mr. Joeckel's Patent Settees

Have this advantage; besides, the back is reversed without turning it over. It is suspended on a pivot, like a pendulum, and is easily changed, at the same time giving the seat the proper pitch and holding it securely in position. Strength and elegance have not been overlooked.

These settees have been preferred in every case where a Reversible Seat is desirable.

We are making Stationary Seats to match the Reversibles, which are unequalled for beauty and comfort.

UHLINGER'S PATENT SCHOOL DESKS,

Combining Elegance, Durability, and Economy with every convenience and comfort to the pupil,

ARE RECOMMENDED TO

SUPERIORS AND DIRECTORS OF ACADEMIES,
AND CATHOLIC EDUCATIONAL ESTABLISHMENTS GENERALLY,

AS THE

Best Desk for School Purposes Now in Use.

The many excellences of this Desk have made it the universal favorite alike with pupils and instructors. It is made of cherry or walnut lumber, with cast-iron frames sufficiently stiff as not to require braces as in other desks of flimsy structure made for show rather than service. No slat seat to give children the opportunity to break their fingers through the openings; no movable end-pieces to be constantly falling out; no gimcracks of any sort to mar the beauty and durability of this standard desk.

My new desk has a rounded back suited to the spinal curve, as also a hollow seat which is perfectly noiseless. Thoroughly experienced men are sent to put up and finish the desks in the school-house, without extra expense other than car fare and board. Orders from remote points receive particular attention. The desks are finished complete, taken apart, and carefully packed with full directions for setting up, and shipped to all parts of the world.

THE GREAT AMERICAN TEA COMPANY

Receive their Teas by the Cargo from the best Districts of China and Japan, and sell them in lots to suit at **CARGO PRICES.**

The proprietors of THE GREAT AMERICAN TEA COMPANY became fully convinced, several years ago, that consumers of tea and coffee were paying too many and too large profits on these articles of every-day consumption, and therefore organized THE GREAT AMERICAN TEA COMPANY, to do away, as far as possible, with these enormous drains upon the consumers, and to supply them with these necessities at the smallest possible price.

To give our readers an idea of the profits which have been made in the tea trade, we will start with the American houses, leaving out of the account entirely the profits of the Chinese factors. First, the American house in China or Japan makes large profits on their sales or shipments, and some of the richest retired merchants in this country have made their immense fortunes through their houses in China. Second, the banker makes large profits upon the foreign exchange used in the purchase of tea. Third, the importer makes a profit of thirty to fifty per cent. in many cases. Fourth, on its arrival here it is sold by the cargo, and the purchaser sells it to the speculator in invoices of 1,000 to 2,000 packages, at an average profit of about ten per cent. Fifth, the speculator sells it to the wholesale tea dealer in lines, at a profit of ten to fifteen per cent. Sixth, the wholesale tea dealer sells it to the wholesale grocer, in lots to suit his trade, at a profit of about ten per cent. Seventh, the wholesale grocer sells it to the retail dealer at a profit of fifteen to twenty-five per cent. Eighth, the retailer sells it to the consumer for **ALL THE PROFIT HE CAN GET.** When you have added to these **EIGHT** profits as many brokerages, cartages, storages, cooperages, and waste, and add the original cost of the tea, it will be perceived what the consumer has to pay. And now we propose to show why we can sell so very much lower than other dealers. We propose to do away with all these various profits and brokerages, cartages, storages, cooperages and waste, with the exception of a small commission paid for purchasing to our correspondents in China and Japan, one cartage, and a small profit to ourselves, which, on our large sales, will amply pay us. Through our system of supplying clubs throughout the country, consumers in all parts of the United States can receive their teas at the same price (with the small additional expense of transportation) as though they bought them at our warehouses in this city. Parties getting their teas from us may confidently rely upon getting them pure and fresh, as they come direct from the Custom House stores to our warehouses. We warrant all the goods we sell to give entire satisfaction. If they are not satisfactory they can be returned at our expense within thirty days, and have the money refunded.

P.S.—All villages and towns where a large number reside, by clubbing together, can reduce the cost of their teas and coffees about one third by sending directly to

THE GREAT AMERICAN TEA COMPANY,

31 and 33 Vesey Street. Post-office box 5643, New York City.

REMITTANCES TO IRELAND.

IRISH EMIGRANT SOCIETY,

Banking House, 51 Chambers Street, New York.

INCORPORATED APRIL 29, 1844.

The importance of providing a safe channel of remittance to Ireland of the large amount of money forwarded annually by the Irish Emigrant to his friends at home induces this Society to call attention to the purposes of its institution and the advantages and securities it affords. The objects of the Society are:

1st—By the sale of its bills on the Bank of Ireland, and by keeping ample funds there to meet the same, to furnish to the Irish people in this country a safe remittance to their friends in Ireland, thereby protecting them from false, fraudulent, and dubious bills.

2d—To receive moneys from persons having no knowledge of responsible shipping-houses, and to purchase for them passage tickets by steamer or sailing vessel, and to transmit the same to their friends in Ireland, for whom the passages were ordered.

3d—To receive moneys from persons residing out of the City of New York, and who have no responsible agent here, and to apply such moneys to forwarding into the interior, according to their directions, their friends and families who may arrive at this port from Ireland.

4th—By and through the official position of the the President (he being by law of the State of New York a Commissioner of Emigration), to protect the persons and property of Irish Emigrants.

5th—To aid friendless Irish Emigrants and their children by an application of the surplus earnings of the Society to their relief.

6th—To afford advice, information, and protection to Emigrants from Ireland, and generally to promote their welfare.
